**WHEREAS**, in February 2015, the City Council adopted a resolution to endorse the Community Plan to End Homelessness ("Community Plan"), a five-year Community Plan which is a Santa Clara County community-wide roadmap intended to guide government, private sector, non-profit organizations, and other community members as they make decisions about funding, priorities, and needs; and

**WHEREAS**, since May 2019, the City has worked with the County of Santa Clara and Destination: Home, as well as multiple stakeholders, to update the Community Plan for the next five years (2020-2025), which includes increasing the capacity and effectiveness of housing programs, addressing the root causes of homelessness

through systems and policy change, improving quality of life for unsheltered individuals, and creating healthy neighborhoods for all; and

**WHEREAS**, on July 31, 2019, Governor Gavin Newsom signed Assembly Bill 101 (AB 101) into law, establishing a one-time source of funds called the Homeless Housing, Assistance and Prevention (“HHAP”), a \$650 million block grant program; and

**WHEREAS**, the City’s allocation of HHAP funds is \$23,832,511; and

**WHEREAS**, the State requires that HHAP funds be used for: rental assistance/rapid rehousing, operating subsidies and reserves, landlord incentives, outreach and coordination, system support to create regional partnerships, delivery of permanent housing, prevention and shelter diversion, new navigation centers/emergency shelters, innovative solutions, strategic homelessness planning (up to 5%), infrastructure development (up to 5%), youth set-aside (no less than 8%), and administrative costs (up to 7%); and

**WHEREAS**, Santa Clara County’s Community Plan Steering Committee recently undertook an extensive community outreach process from May 2019 to January 2020 to obtain feedback and reflect on what is currently working or not working in the homeless system of care, and this process reached over 8,000 community members and

convened more than 20 opportunities to engage with subject matters experts, community members and people with a lived experience of homelessness; and

**WHEREAS**, the City Manager’s Office and the Housing Department were actively engaged in Santa Clara County’s Community Plan outreach; and

**WHEREAS**, the Housing Department has also conducted multiple community meeting targeting homeless and formerly homeless individuals, as well as various stakeholders including nonprofit service providers and homeless advocates to obtain feedback; and

**WHEREAS**, the feedback received from both outreach processes was extensive and several themes emerged that were considered when developing the proposed HHAP expenditure plan, including daytime services and diverse shelter/interim housing; and

**WHEREAS**, the City Council’s approval will allow the administration to apply to the State’s HHAP for a one-time award of approximately \$23.8 million, as set forth in the Memorandum from Housing Department dated January 21, 2020.
