- b) BART will then reinitiate the Phase 3 acceptance testing, then commence pre-revenue operations.
- c) Once (b) is underway, the VTA/BART team can forecast the commencement of scheduled passenger service.

Phase II: General Update

- 10% Design Received
 - VTA is reviewing and evaluating the project scope (including schedule and budget).
- Federal Transit Administration's Expedited Project Delivery Pilot Program
 - VTA and the Federal Transit Administration continue to coordinate the federal funding process.
 - EPD funds a maximum 25% of the total Phase II project cost.
 - FTA responds to the grant request within 120 days.

Construction Outreach Management Program

Construction Outreach Management Program

- **Construction Education and Outreach Plan (CEOP):** communication during construction between VTA, various municipalities, and the public
- **Construction Transportation Management Plan (CTMP):** coordinate circulation and access within and around the construction areas for all modes
- **Emergency Services Coordination Plan (ESCP):** coordinate with local emergency services to minimize impact to emergency service routes and response times due to construction activities

CEOP: Business Resources Program

- **Facilitate** a Small Business Task Force
 - Members include small businesses, advocacy organizations, and other stakeholders
- **Collect** access information from small businesses
- **Analyze** case studies from similar projects
- **Create** a program to support businesses along the Project corridor prior to and during construction
