Innovation Learning Lab + Unleash Your Geek

Calling all Innovators.

Powered by People.

CivicMakers

What to Expect.

The City of San José Innovation Learning Lab is a development experience designed to foster a culture of innovation and collaborative problem-solving across Departments. It also gives participants the opportunity to solve a meaningful problem in the City in collaboration with department leadership and a technology startup to design, test, and implement a solution. Along the way, participants will receive training in technology and innovation skillsets and mindsets.
