# Project Hope Site Expansion Map

# Progress

Jeanne Avenue,  
Washington, Foxdale - Next

Poco Way, Santee, Hoffman/Via Monte

Edenvale/Roundtable – Year 2

Cadillac/Winchester and Welch Park – Year 3

# Lessons Learned

The work is relationship-based, anchored in equity, trust and respect.

The work is cyclical.

Volunteer fatigue and transient neighborhoods require new leaders to be regularly identified and trained.

Stakeholder partners are under-resourced.

# Project Hope Communities in Action
