

RESOLUTION NO. _____

**A RESOLUTION OF THE COUNCIL OF THE CITY OF
SAN JOSE APPROVING A LIST OF PAVEMENT
MAINTENANCE PROJECTS ELIGIBLE FOR
SAN JOSE'S 2020-2021 ALLOCATION OF THE ROAD
MAINTENANCE AND REHABILITATION ACCOUNT
FUNDING, WHICH WAS MADE AVAILABLE BY THE
APPROVAL OF SENATE BILL NO. 1, OTHERWISE
KNOWN AS THE ROAD REPAIR AND ACCOUNTABILITY
ACT OF 2017**

WHEREAS, on April 28, 2017, Governor Brown signed Senate Bill No. 1, otherwise known as the Road Repair and Accountability Act of 2017, which created the Road Maintenance and Rehabilitation Account ("RMRA") to address deferred maintenance on the state highway and local streets and road systems; and

WHEREAS, prior to receiving an apportionment of RMRA funds in a fiscal year, the City of San José ("City") is required to submit to the California Transportation Commission ("CTC") a list of projects proposed to be completed with these funds ("List of Projects"); and

WHEREAS, in December 2019, the City's Department of Transportation released its 3-year Pavement Maintenance Plan (2020-2022) to preserve and rehabilitate streets Citywide; and

WHEREAS, the tentative List of Projects, as shown in Attachment A, recommended for submission to the CTC is intended to identify streets that would be eligible for approximately \$19,700,000 in RMRA funds and is consistent with the 3-year Pavement Maintenance Plan, however it may change if unforeseen circumstances arise or new information regarding other street-related projects become available, which is acceptable per the CTC guidelines, as the actual projects completed may differ from the original list submitted;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF
SAN JOSE THAT:

The List of Projects eligible for San José's 2020-2021 allocation of Road Maintenance
and Rehabilitation Account funding is hereby approved, as shown in Attachment A.

ADOPTED this ____ day of _____, 2020, by the following vote:

AYES:

NOES:

ABSENT:

DISQUALIFIED:

Description of Project:

Street Resurfacing: Projects that may consist of removal of failed top layer of asphalt, cold-in place recycling, overlay with hot-mix asphalt or rubberized hot-mix asphalt, striping and bike lane enhancements, and Americans with Disabilities Act (ADA) curb ramp upgrades

Street Sealing: Projects that may consist of removal of failed areas of asphalt, application of a thin layer of emulsified asphalt mixture to protect streets from water penetration and provide a new wearing surface, striping and bike lane enhancements, and ADA curb ramp upgrades.
