

City Council 3.1

Emergency Operations Center Update

Slow and reduce the spread of COVID-19, and support our most at-risk people

Roadmap through the Epidemic: City Response – Highest Priority Actions

- | | |
|--|--|
| 1. Compliance with Public Health Orders ("Shelter in Place") | + Education, enforcement and engagement |
| 2. Continuity of Essential City Services | + Ensuring essential services are provided safely for the duration of the epidemic |
| 3. Support for At-Risk Communities and Populations <ul style="list-style-type: none">▪ Food & Necessity Distribution and Feeding<ul style="list-style-type: none">– Senior Support and Services– Medically At-Risk Support and Services▪ Homeless Support and Services (Shelter Delivery and Quarantine)▪ Local Assistance for:<ul style="list-style-type: none">– Individuals and Families– Small Business and Non-Profit Support | + County wide food distribution, focusing first on the most at-risk and then, scale and sustain
+ Support seniors in isolation
+ Support medically at-risk populations in isolation
+ Increase shelter, hygiene services and health support to homeless population
+ Local assistance for individuals and families
+ Support small businesses and develop understanding of new forms of assistance (e.g. SBA) and begin to operationalize |
| 4. Powered by People – Support our people so they can act <ul style="list-style-type: none">▪ Ensure Safety of City Staff Performing Essential Services▪ Families Support for City Staff Performing Essential Services (including childcare)▪ Redeploying Staff to Essential Services and Response | + Support safety of City Staff performing essential services
+ Prioritize testing, child care, and other support services for staff performing essential services
+ Temporarily re-assign staff in non-essential services to essential or emergency management functions |

Enabling Actions Supporting the Response

- | | |
|--|--|
| 5. Silicon Valley Strong Campaign | + A public campaign amplifying public health messages, raising funds, and volunteers |
| 6. Communications and Engagement with Community | + Messaging to broader community with focus on engaging our most at-risk communities in multiple languages |
| 7. Funding and Cost-Recovery <ul style="list-style-type: none">▪ Maximizing Cost-Recovery (CalOES and FEMA)▪ Securing Funding State, Federal and Private Grants | + Coordinated approach to federal, state, local, and privately raised funds with a focus on effective response and cost recovery for the City organization |
| 8. Future Planning | + Understanding future trajectory and impacts of COVID-19 |

Compliance with County Public Health Orders

Compliance Branch Completed Activities

Compliance Actions	Activity to-date (March 26 – April 20)
<p>Shutter parks, or at least consider shuttering some (and be clear about why).</p>	<p> 9 Regional Parks and 19 Parking Lots shuttered over Easter Weekend. Alum Rock Park and Communications Staircase, as well as all Park amenities closed until further notice. Park Rangers now primary enforcement in Parks.</p>
<p>Radio PSA in multiple languages to clarify county orders</p>	<p> 304 Radio PSAs aired on 8 Radio Stations in 4 languages (English, Spanish, Vietnamese and Mandarin)</p>
<p>Key messages on appropriate outdoor behavior or alternatives</p>	<p> Used the results of the Behaviorally Informed messaging, created and disseminated Park Warning and Park Closure signage for PRNS and EPIO use.</p>
<p>Engage local trusted messengers to convey clear messages about health orders through social media.</p>	<p> 44 Unique Social Media Posts and Influencer Videos</p> <ul style="list-style-type: none"> - 331,002 Impressions (53% higher than average) - 22,268 Engagements (141% higher than average) - 9,255 Influencer Videos were watched to the end (15% of Total Views)
<p>Framed messaging that makes use of Behaviorally Informed testing.</p>	<p> Worked with the Behavioral Insights Team, conducted testing, tabulated results and implemented messaging for top 3 most prioritized touchpoints in English, Vietnamese and Spanish. Shared recommended messaging with City stakeholders</p>
<p>Prepping council members with messaging they can use in their communities.</p>	<p> 4 Messaging Toolkits developed and distributed: Public health to Mayor & Council, Public health to City Departments, Park compliance to Mayor & Council, Temporary park closure to Mayor & Council</p>

Santa Clara County residents are effectively “sheltering-in-place”

Since baseline (Jan 3 – Feb 6), travel has decreased dramatically throughout the region. Places such as retail & recreation and transit stations have seen the greatest decrease, while Parks have seen the smallest decrease in trips.

People are also spending more time at their residences.

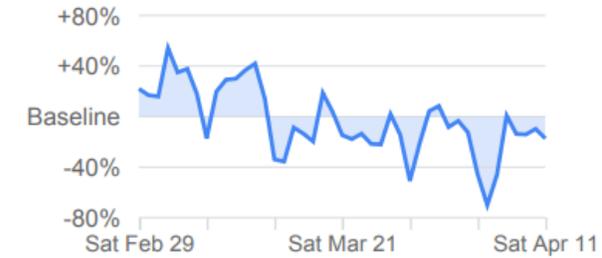

Grocery & pharmacy

-26% compared to baseline

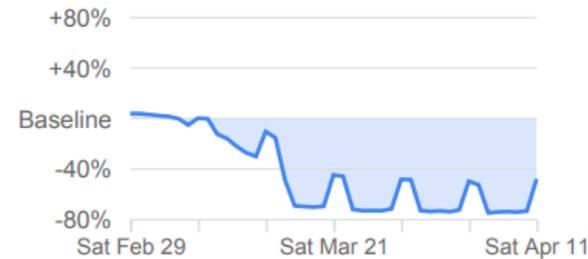

Parks

-17% compared to baseline

Workplace

-48% compared to baseline

Residential

+20% compared to baseline

Retail & recreation

-61% compared to baseline

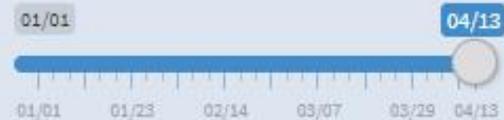

Transit stations

-63% compared to baseline

Feed Our
Most
Vulnerable

Maximize
Existing Food
Networks

Scale for a
Widespread
Food Crisis

We are feeding people

	<i>Estimated Weekly Meals</i>	<i>Increase From Beginning of COVID-19 Response</i>
<i>Food Providers</i>	<i>#</i>	<i>%</i>
Second Harvest to Community Based Organizations (CBO)	1,666,667*	+25%
City/County Senior Nutrition Program (SNP)	13,248	+58%
Senior Meals On Wheels (MOW)	23,545	+26%
School Sites	296,584	+206%
City/County Targeted Homeless Placements	9,050	+255%
Meal Delivery (CBOs, other vulnerable populations)	170	-49%**
MEALS DELIVERED IN PAST WEEK	2,009,264	

* Represents estimate from Second Harvest as of 04/17/20.

** Reduction is due to a decrease in demand, but available capacity has not decreased.

OBJECTIVES

12-week

Feed Our Most Vulnerable

Maintain 400k meals per day

Maximize Existing Food Networks

Unlock X meals per day

Scale for a Widespread Food Crisis

Increase grocery and prepared meal output of greater than 3,000,000 "meals" per week

KEY RESULTS

3-week

- Identify More Translators [Ed]
- Identify and Address Health Inequities through Data [Andrea]
- Team agreement on capacity metrics, how will we measure capacity and supply [Jill]
- Establish communication structure with CBOs [Jill]
- Provide Immediate Food Support to City + County Team in the EOC on Day-to-Day Issues [Aurelia]
- Validate CBO capacity to receive, prepare and distribute groceries and prepared meals [Jerry]

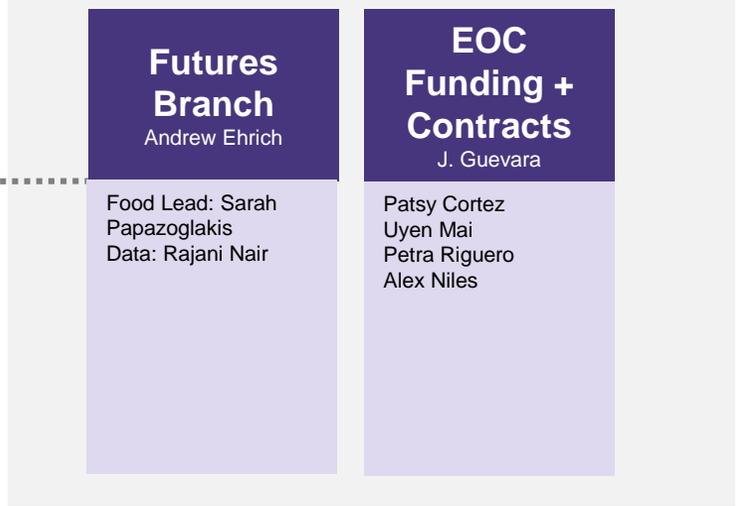

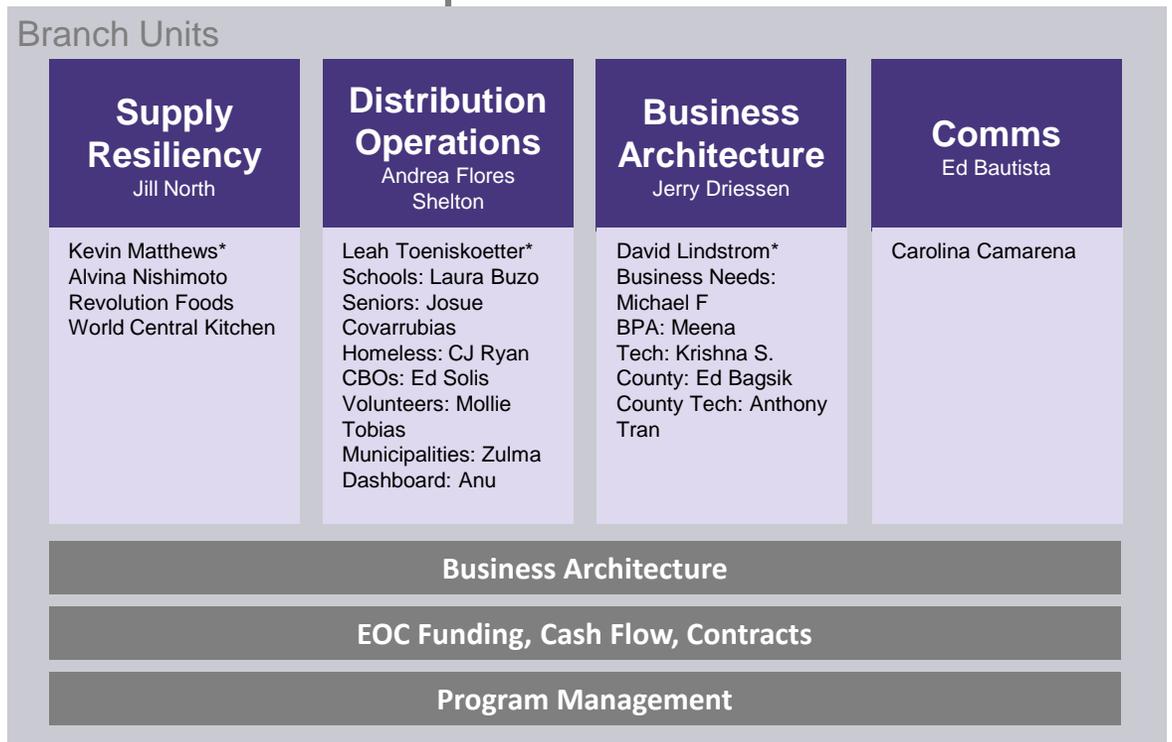

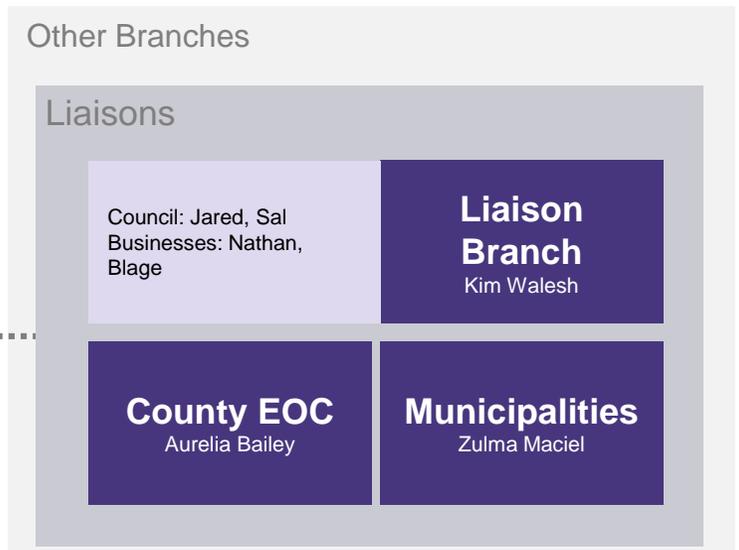

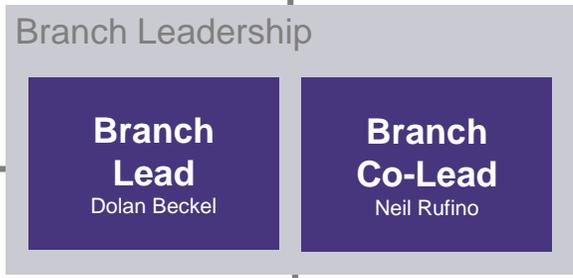

- Stack Rank and Execute all Contracts across Meal Producers, Distributors, and Client Agencies (SCC + 13 Cities) [J.]
- Validate Second Harvest Business Architecture [Jerry]
- Support Gaps Related to Second Harvest's Needs [Jerry]
- Timely + Accurate Information for Requests [Ed]
- Clear Understanding of Communications Needs, Including Contact Database and Purpose [Ed]
- Benchmark + Assess Capacity of Safety Net [Sarah]
- Modify Technology Solution Based on Second Harvest Gap Analysis [Jerry]
- Support to Create a Sustainable Process to Ensure Food Tracking Site Capacity and Meal Production Capacity [Aurelia]
- Integrate business architectures of Revolution, Second Harvest and other food suppliers [Jerry]

- Sign "At Scale" Contracts with Food Distribution Partner (Revolution Foods), Philanthropy + Logistics Partner (World Central Kitchens) [Dolan]
- Jurisdictional Reimbursement Agreements Completed [Dolan]
- Build Future Scenarios to Help Suppliers/Providers Improve Food Distribution [Sarah]
- Support Resilient Food Industry + Workforce [Sarah]
- Project Charter with OKRs, Org Chart, Roles Identified and Staffed [Dolan]
- Establish "Reimbursement by Design" Templates and Checklists to Apply to all Agreements and Business Ops [J.]
- Establish Food Distribution Contracts + Cash Flow team with POCs in Logistics, Recovery, and Documentation [J.]

Emergency Housing

Emergency Interim Housing for At-Risk Homeless Residents

City Council April 21, 2020
Item 3.1

- Proclamation of CA State of Emergency Executive Order/SB89 allocated funding, suspend regulations, speed delivery of Emergency Housing
- Santa Clara County Shelter at Home Order Direction to shelter homeless residents
- City Manager/EOC declared Shelter Crisis
- City Council ratified Shelter Crisis Declaration Suspends GP, Zoning, Regulations/Requirements Allocates funding, directs City Manager to immediately stand up Emergency Interim Housing

Potential Emergency Interim Housing/Shelter Site Summary

Evaluated Locations	District	Description
Original Priority Emergency Sites		
Story Road at Knox Ave	5	<ul style="list-style-type: none"> • Parkland restrictions/Deed Restrictions Prohibits Use
Monterey at Bernal	2	<ul style="list-style-type: none"> • City owned and controlled, Most rapid path to development • Few barriers/access to utilities • Contractor ready to start NOW
2347 1 st Street	4	<ul style="list-style-type: none"> • Path to control/lease not likely during emergency timeframe • Design review by property owner requires negotiation • Remains viable site just not during COVID emergency
Private Land at Hellyer	2	<ul style="list-style-type: none"> • Donation agreement still being finalized with owner • Hillside slopes, grading requirements, competing needs • Opportunity to stand up immediately compromised
Other Sites Under Review		
Evans Ln at Almaden Expressway	6	<ul style="list-style-type: none"> • Future affordable housing site • Interim family use, path to permanent housing on-site • Some flood mitigation required
Story Road at Remillard Court 1 & 2	7	<ul style="list-style-type: none"> • Development Challenges: grading, access, access to utilities • Environmental constraints – flood, former land fill (#1)
Monterey Road at Burnett Ave	2	<ul style="list-style-type: none"> • Just north of Morgan Hill city limit • Greenbelt, no utilities • Limited resource access: transit, services, food • Potential FEMA trailer storage site
Los Esteros Road at Grand Blvd	4	<ul style="list-style-type: none"> • Site limitations: High voltage power lines/towers, marshland, neighboring sites are protected wildlife, flood zone
Yerba Buena Road @ Chisin Street	8	<ul style="list-style-type: none"> • Development Challenges: hillside, open space issues, no access to utilities • No Resource access: transit, services, food
