Subject: PLEASE hold Jared Yuen ACCOUNTABLE for his actions

Hi Independent Police Auditor team,

My name is Stacy Gee and I am a San Francisco, CA resident. I am emailing to demand accountability for the EXCESSIVE violence displayed by San Jose police officer, Jared Yuen (badge #4362).

I am pleading for Jared Yuen to be fired for displaying a gross abuse of power and endangering the lives of unarmed citizens. He makes me fear ever encountering him as a police officer. I should feel protected, but I am scared.

I understand that an investigation is being done, but there is clear video evidence showing his blatant disregard for the safety of the public. Yuen handled the situation inappropriately and unprofessionally. He escalated the situation by using inappropriate language and proceeded to fire projectiles at the public. These projectiles, when fired at close range, are lethal.

In addition to Yuen's actions, I am disappointed in San Jose officials who are not holding Yuen responsible. Police Chief Eddie Garcia, for instance, said that Yuen is a "good kid" who made a mistake, while San Jose City Council member Lan Diep stated that Yuen should not be fired and that he should be given a "chance to atone." This rhetoric downplays the situation and is extremely dangerous especially when there are lives at stake. If Yuen were a "kid," he should not have the possession of any weapon that could endanger the public. The lack of accountability of police officers is apparent and I am demanding justice for the victims of his brutality. I demand that Yuen, as well as other police officers who abuse their power, are held accountable for their actions.

Sincerely,
Stacy Gee

Hi,

My name is Sindura and I am a resident of SJ. I am emailing today to demand accountability for the excessive violence displayed by the San Jose police officer Jared Yuen (badge #4362).

I demand that Jared Yuen be fired for displaying a gross abuse of power and endangering the lives of unarmed citizens. I understand that an investigation is being done, but video evidence showing his blatant disregard for the safety of the public is apparent.

Yuen handled the situation inappropriately and unprofessionally. He escalated the situation by using inappropriate language and proceeded to fire projectiles at the public. These projectiles when fired at close range are lethal.

In addition to Yuen's actions, I am disappointed in San Jose officials who are not holding Yuen responsible. Police Chief Eddie Garcia, for instance, said that Yuen is a good kid who made a mistake, while San Jose City Council member Lan Diep stated that Yuen should not be fired and that he should be given a "chance to atone". This rhetoric downplays the situation and is extremely dangerous especially when there are lives at stake. The lack of accountability of police officers is apparent and we are demanding justice for the victims of his brutality. I demand that Yuen, as well as other police officers who abuse their power, are held accountable for their actions.

Sincerely,
Sindura

In addition to Yuen's actions, I am disappointed in San Jose officials who are not holding Yuen responsible. Police Chief Eddie Garcia, for instance, said that Yuen is a good kid who made a mistake, while San Jose City Council member Lan Diep stated that Yuen should not be fired and that he should be given a "chance to atone". This rhetoric downplays the situation and is extremely dangerous especially when there are lives at stake. The lack of accountability of police officers is apparent and we are demanding justice for the victims of his brutality. I demand that Yuen, as well as other police officers who abuse their power, are held accountable for their actions.

Sincerely,
Pooja

Hi,

My name is Neelie Shah and I am a resident of Cupertino. I am emailing today to demand accountability for the excessive violence displayed by the San Jose police officer Jared Yuen (badge #4362).

I demand that Jared Yuen be fired for displaying a gross abuse of power and endangering the lives of unarmed citizens. I understand that an investigation is being done, but video evidence showing his blatant disregard for the safety of the public is apparent.

Yuen handled the situation inappropriately and unprofessionally. He escalated the situation by using inappropriate language and proceeded to fire projectiles at the public. These projectiles when fired at close range are lethal.

How long did it take to make your little uplifting speech telling other cops to quit if they were complicit in police brutality, then go defending your own personal relationship with Yuen? Don't forget to add flowers and take a knee with protesters to get the best angle, next time. We love daddy chiefs who do it best for likes. The justice system was reformed in a matter of instance. Racism completely obliterated! We stan a Yuen sympathizer. He will surely change our minds!

This shit going on the gram just like your little wholesome video to your police force, Valerie Nguyen

In addition to Yuen's actions, I am disappointed in San Jose officials who are not holding Yuen responsible. Police Chief Eddie Garcia, for instance, said that Yuen is a good kid who made a mistake, while San Jose City Council member Lan Diep stated that Yuen should not be fired and that he should be given a "chance to atone". This rhetoric downplays the situation and is extremely dangerous especially when there are lives at stake. The lack of accountability of police officers is apparent and we are demanding justice for the victims of his brutality. I demand that Yuen, as well as other police officers who abuse their power, are held accountable for their actions.

Appreciate your time.

Sincerely,
Stephanie Sarmiento
