Dear community of San Jose, and city government,

A good luck, that we can all begin to continue, to look for, and work toward - very low, extremely low, & mixed-income housing.

These are simply, our good practices.

And how to continue, a good roadmap, toward honest sustainability, social equity, and even ideas, of a more positive, local community energy future, with renewables, in the next few years.

sincerely,
blair beekman
