

Item 3.1

City Manager's COVID-19 Update

Kip Harkness, Deputy City Manager, Emergency Operations Center Director
Lee Wilcox, Chief of Staff, Emergency Operations Center Director

June 23, 2020

Slow and reduce the spread of COVID-19, and support our most at-risk people

Roadmap through the Epidemic: City Response – Highest Priority Actions

1. Compliance with Public Health Orders ("Shelter in Place")	+ Education, enforcement and engagement
2. Continuity of Essential City Services	+ Ensuring essential services are provided safely for the duration of the epidemic
3. Support for At-Risk Communities and Populations <ul style="list-style-type: none">Food & Necessity Distribution and Feeding<ul style="list-style-type: none">Senior Support and ServicesMedically At-Risk Support and ServicesHomeless Support and Services (Shelter Delivery and Quarantine)Local Assistance for:<ul style="list-style-type: none">Individuals and FamiliesSmall Business and Non-Profit Support	<ul style="list-style-type: none">County wide food distribution, focusing first on the most at-risk and then, scale and sustainSupport seniors in isolationSupport medically at-risk populations in isolationIncrease shelter, hygiene services and health support to homeless populationLocal assistance for individuals and familiesSupport small businesses and develop understanding of new forms of assistance (e.g. SBA) and begin to operationalize
4. Powered by People – Support our people so they can act <ul style="list-style-type: none">Ensure Safety of City Staff Performing Essential ServicesFamilies Support for City Staff Performing Essential Services (including childcare)Redeploying Staff to Essential Services and Response	<ul style="list-style-type: none">Support safety of City Staff performing essential servicesPrioritize testing, child care, and other support services for staff performing essential servicesTemporarily re-assign staff in non-essential services to essential or emergency management functions

Enabling Actions Supporting the Response

5. Silicon Valley Strong Campaign	+ A public campaign amplifying public health messages, raising funds, and volunteers
6. Communications and Engagement with Community	+ Messaging to broader community with focus on engaging our most at-risk communities in multiple languages
7. Funding and Cost-Recovery <ul style="list-style-type: none">Maximizing Cost-Recovery (CalOES and FEMA)Securing Funding State, Federal and Private Grants	+ Coordinated approach to federal, state, local, and privately raised funds with a focus on effective response and cost recovery for the City organization
8. Future Planning	+ Understanding future trajectory and impacts of COVID-19

UPDATED COUNTY ORDER: SUMMARY

Issued June 10 2020, Effective as of 12:01am on Monday, June 15 2020

Requires healthcare facilities to provide testing for:

- **All Symptomatic Persons**, regardless of age, hospitalization status, comorbidities, or other risk factors for COVID-19;
- All persons, with or without COVID-19 Symptoms, who **report that they have been exposed to a confirmed case of COVID-19**; and
- All persons, with or without COVID-19 Symptoms, **who are at increased risk of exposure to COVID-19** by virtue of (1) working in High-Risk Settings; (2) frequently or routinely traveling by mass transit; or (3) attending a mass gathering of 100 or more individuals in the 14 days prior to presenting for testing.

Healthcare facilities bound by this order are:

- (1) Any clinic or urgent care facility located in the County that is owned, directly or indirectly, by an entity that also owns or operates an acute care hospital, regardless of where that acute care hospital is located; and
- (2) Any acute care hospital located in the County.
