

Memorandum

TO: RULES AND OPEN
GOVERNMENT COMMITTEE

FROM: Councilmember Jimenez,
District 2

SUBJECT: See Below

DATE: September 2, 2020

Approved

Date September 2, 2020

SUBJECT: FIREWORKS ORDINANCE WORKPLAN STATUS UPDATE

RECOMMENDATION

1. Approve a request to defer item 4.1 on September 15, 2020 City Council regarding update on fireworks ordinance workplan status.
2. Direct City Manager to re-agendize the item on a City Council agenda for mid to late October.

BACKGROUND

I would like to respectfully request additional time for status of illegal fireworks activity to be brought back before Council. A date in mid-late October would work well. This will allow additional time for community input and brainstorming of this critical concern. The community is interested in having more time and approached our office with this request.
