Dear Mayor Liccardo,

I am a San Jose resident and one of your neighbors in Northside. I'm writing to ask you to support the Anti-Displacement Proposal in FULL on Sept. 22. This is because displacement is a multi-faceted problem and we need to support the comprehensive and thoughtful approach that the committee has spent years crafting. Please vote yes at the Sept. 22 city council vote to support the full proposal.

Best regards,

Tuấn
