**TO:** COMMUNITY AND ECONOMIC  
DEVELOPMENT COMMITTEE

**FROM:** Jacky Morales-Ferrand

**SUBJECT:** SEE BELOW

**DATE:** September 11, 2020

Approved *Kin Wale*

**SUBJECT: HOUSING AND COMMUNITY DEVELOPMENT COMMISSION FY 2019-20 ANNUAL REPORT AND FY 2020-21 WORKPLAN**

## **RECOMMENDATION**

It is recommended that the Community and Economic Development Committee approve the Housing and Community Development Commission's Fiscal Year (FY) 2019-20 Annual Accomplishments Report and consider and approve its FY 2020-21 Workplan.

## **BACKGROUND**

The Municipal Code (Section 2.080.030) requires annual approval of commission workplans for each fiscal year and reports on their annual accomplishments. Workplans and annual reports provide the City Council with clear detail about commission activity. Annual workplans identify specific priorities, allowing direct and concise direction to the members of the bodies while managing the time of the City support staff. Annual reports document the implementation of the previous year's workplan. Items on a workplan must clearly align to that commission's purpose and must be consistent with City policies. Such City policies include Council Policy 0-4 governing boards and commissions. Once approved, boards and commissions may not engage in activities that are not on their workplans without approval of a modified workplan.

Under the City's Municipal Code (Title 2 Part 28), the Housing and Community Development Commission (Commission) has advisory functions, powers, and duties on the following matters: existing policies and programs concerning housing and community development; potential new policies and programs; reports on the City's progress in meeting its housing goals; annual hearings on the City's federal funding plans and outcomes; proposals regarding the use of funds for housing and community development; and issues related to the City's Mobilehome Rent Ordinance and mobilehome parks, and the City's Apartment Rent Ordinance and related programs.

In March 2017, the Rules and Open Government Committee established the Community and Economic Development Committee as the approval body for the Housing and Community Development Commission.

## **ANALYSIS**

### **Accomplishments**

The Commission's accomplishments from FY 2019-20 (**Attachment A**) illustrate its members' dedication to addressing a wide range of housing and community development-related policies, programs, and funding decisions. Last year, the Commission heard 27 items over seven busy months of meetings. These items included several important issues including:

- Inclusionary Housing Ordinance Proposed Revisions;
- Demographic Study of Renters Living in Apartments Covered by the Apartment Rent Ordinance;
- City-initiated General Plan Amendments for Mobilehome Parks; and,
- The Draft *Community Plan to End Homelessness 2020-2025*.

The Commission also held public hearings on required plans and reports regarding the use of public funds from the U.S. Department of Housing and Urban Development. These reports are required to be submitted annually to fulfill federal funding requirements. Last year, the Commission heard the City's Consolidated Annual Performance and Evaluation Report for FY 2018-19. Although it was unintentionally omitted from the approved Accomplishments list in Attachment A, the Commission also gave feedback on proposed funding priorities for the Draft Five-Year Consolidated Plan for 2020-25 on March 12, 2020.

Due to the City commissions' COVID-19 hiatus from late March through July 2020, the Commission was unable to hear the final FY 2020-25 Consolidated Plan / FY 2020-21 Annual Action Plan or the amendment to the City's Citizen Participation Plan. The Commission also was unable to approve the City's annual Housing Trust Fund budget as usual.

### **Proposed Workplan**

The Commission's proposed FY 2020-21 Workplan (Workplan) (**Attachment B**) is comprised mostly of Department-scheduled items. Of note is the Commission's new role in reviewing the Housing Department's annual spending plan for Measure E funds. This Measure, approved by San José voters in the election held March 3, 2020, established a real property transfer tax. In its function as Measure E Oversight Committee, the Commission will need to ensure the Department's spending plan is consistent with the City Council's approved priorities for affordable housing and homelessness.

The Commission's FY 2020-21 Workplan also includes four commissioner-initiated topics that were rolled over from the previous year's workplan. These new policy or program ideas are ones

that commissioners selected in 2019 as potentially helpful to address San José's housing crisis but were unable to hear due to workload. Those four items are marked with asterisks at the end of the Workplan and are to be heard only to the extent time allows after required items.

The Commission held its Annual Retreat on the evenings of August 26 and 27, 2020, to review last year's accomplishments and to develop its new Workplan together with Housing Department staff. Then, at its regular meeting on September 10, 2020, the Commission voted unanimously (8-0) to approve last year's accomplishments and to approve the FY 2020-21 Workplan as amended with Commissioner's final input. All workplan items are within the scope per the City's Municipal Code for this Commission.

The Housing Department greatly appreciates the dedication and service of the Housing and Community Development Commissioners in their efforts to help improve the quality of life for the citizens of San José.

## **CONCLUSION**

Staff recommends that the Committee approve both the Commission's FY 2019-20 Annual Accomplishments Report and its proposed Workplan for FY 2020-21.

## **EVALUATION AND FOLLOW-UP**

If necessary, staff will present any amendments to the Commission's FY 2020-21 Workplan to the Community and Economic Development Committee for approval during the fiscal year.

## **PUBLIC OUTREACH**

The Commission held two publicly-noticed special virtual meetings for its Annual Retreat on August 26 and 27, 2020. The meetings were announced by posted public agendas on the City's website and on the Housing Department's website. At those meetings, the Commission heard and conditionally approved its FY 2019-20 Accomplishments and approved as amended a draft FY 2020-21 Workplan. The Commission then held a publicly-noticed virtual regular meeting on September 10, 2020, at which it approved both its FY 2019-20 Accomplishments and its FY 2020-21 Workplan as amended for submission to the Community and Economic Development Committee. This memorandum will be posted along with the Community and Economic Development Committee agenda for its publicly-noticed virtual meeting on September 28, 2020.

## **COORDINATION**

This memorandum was coordinated with the City Attorney's Office.
