4. Place the item on the October 27, 2020 Council Agenda for action.

OUTCOME

Mayor's Office and WeHope will be granted free use of the exterior of the City Hall North Tower Wall located on the East Plaza for the projection of images of homelessness for the Mayor's WeHope Projecting Hope Event from November 17, 2020 to November 21, 2020.

BACKGROUND

In June 2019, the City adopted the Schedule of Fees Resolution No. 79138, Section 13.080 for Free Use of the City Hall Facility and Plaza Use. Presently, the resolution allows the City Council and City departments to have "Free Use" of the facilities for those events that 1) qualify as official city business; 2) are free and open to the public; 3) occur on a Sunday through Friday; and 4) are booked 30 days in advance. Resolution No. 79138 does not apply to free use requests for Saturday events and as such City Council approval is required to authorize free use for the Mayor's

WeHope Projecting Hope Event from Tuesday, November 17, 2020 to Saturday, November 21, 2020.

On February 1, 2005, the City Council adopted Resolution No. 72517 which requires Councilmembers to submit a memorandum to the Rules Committee regarding proposed City Council sponsored Special Events and the proposed use of any funds.

ANALYSIS

The Projecting Hope event will involve projecting recent portraits of our homeless neighbors from November 17, 2020 through November 21, 2020 on the North Tower Wall of City Hall and is sponsored by Mayor Sam Liccardo and WeHope. Each projected image will have limited text that provides information on the homeless crisis, how lives are being changed through the efforts of the City of San Jose, WeHope, and homeless service organizations throughout San Jose. This special event will honor the houseless individuals and bring awareness to the tragedy of homelessness and build community support for compassionate solutions to our City's homeless crisis.

Free use is being requested because of the public awareness that the City and WeHOPE will bring by projecting images in conjunction with Hunger and Homeless Awareness Week (November 15-22, 2020). The images will place a human face to the thousands of homeless residents in our City and support the City's goal to end homelessness. It is an opportunity to educate the general public about homelessness and the people who are suffering from it and encourage robust public dialogue on this urgent matter. WeHOPE is a nonprofit who partners with the City to connect homeless residents to medical support, job support, and permanent housing,

Approval by the City Council of the event will ensure compliance with the Council's prior direction regarding Council Special Events. In observance of existing fundraising disclosure requirements, Mayor Liccardo will report any cash or in-kind donations received for the event on their Disclosure of Fundraising Report (DFR-1). Approval of this memorandum will enable the Mayor's Office, City departments and the Office of the City Clerk to proceed with the event. Any cash donations received will be processed pursuant to the City's normal financial and budgetary procedures.

EVALUATION AND FOLLOW UP

The primary metrics for this event include amount of exposure the City receives for its regional efforts to address homelessness.

PUBLIC OUTREACH

Public outreach for this event will be conducted by the Mayor's Office and WeHope through social media, email, newsletters, flyers and mailers. The Office of the City Clerk will post the item on the City's Website for the **October 21, 2020** Rules Committee Agenda and the **October 27, 2020** City Council Agenda.
