Analysis

Explain the rationale for Staff recommendation, including any mitigating factors that need to be considered (recent legislative action, significant workplan changes, etc). Please address the following as well.

GREEN LIGHT: The Administration can implement this Nominated Idea under its current workplan. Item should be sent to Council to add to Department workplan. Explain how the Idea will be approached.

The Planning Division's Ordinance/Policy Team is responsible for bringing forward zoning and other ordinance amendments in response to new State laws and local changes. The pawnshop item will be incorporated into the Team's work plan either as a stand-alone ordinance amendment or combined with other minor ordinance amendments (i.e., part of an ordinance update cycle). The Team will commence work in early spring 2021 with an estimated completion date of June 2021. Note that Title 6 of the Municipal Code provides for a maximum of six business licenses for pawn brokers in the City, and at this time no new licenses are available.

YELLOW LIGHT: The Administration recommends Council send this Nominated Idea to the Priority Setting Process due to [describe cost implications, workload impacts, or other factors].

RED LIGHT: The Administration recommends Council not adopt this Nominated Idea due to [describe reason implementation would be difficult if not impossible – conflict with other laws, etc].
