Hello,

I am writing to support Councilmember Esparza's and Councilmember Davis' memorandum to keep our streets safe by taking action to address the increase of dangerous side shows and street racing. Side shows and street racing have become more frequent, more brazen, and more dangerous putting our communities in harm's way each time they occur.

Currently, the City of San Jose and SJPd do not have the tools and resources to address these large scale, dangerous events. I am demanding the City take action and approve Councilmember Esparza's and Councilmember Davis' memorandum.

Thank you,

James Schwab

&gt; Hello,

> I am writing to support Councilmember Esparza's and Councilmember Davis' memorandum to keep our streets safe by taking action to address the increase of dangerous side shows and street racing. Side shows and street racing have become more frequent, more brazen, and more dangerous putting our communities in harm's way each time they occur. By interrupting our sleep after midnight they also have a significant negative impact on our physical and emotional wellbeing. It's only a matter of time until someone is seriously injured or killed.

&gt;

> I hope laws are strengthened to significantly increase the penalties on all participants, and that police can regularly respond in force to capture those involved.

&gt;

> I don't understand why police cannot join the social media groups utilized so they know in advance where and when the sideshows will occur.

&gt;

&gt; Thank you,

Hello,

Side shows and street racing have become more frequent, more brazen, and more dangerous putting our communities in harm's way each time they occur. I live in Communications Hill and they are always racing on our streets, even sideswiped my parked car.

Currently, the City of San Jose and SJPd do not have the tools and resources to address these large scale, dangerous events. I am demanding the City take action and approve Councilmember Esparza's and Councilmember Davis' memorandum.
