OUTCOME

Adoption of the resolution will approve Side Letter Agreement between the City and MEF to allow for a special pensionable base pay increase for the Crime and Intelligence Analyst classification series as provided in the table below:

Subject: AMENDMENTS TO PAY PLAN AND TERMS OF A SIDE LETTER AGREEMENT BETWEEN THE CITY OF SAN JOSE AND THE MUNICIPAL EMPLOYEES' FEDERATION, AFSCME, LOCAL 101 (MEF)

Classification	Pensionable Increase
Crime and Intelligence Analyst (MEF)	10.00%
Senior Crime and Intelligence Analyst (MEF)	10.00%
Crime and Intelligence Data Administrator (MEF)	3.00%

Further, the City of San Jose Pay Plan will be amended to change the salary ranges for the classifications noted above to reflect these changes.

BACKGROUND

Employees in the MEF Crime and Intelligence Analyst series classifications are responsible for providing investigative, tactical, strategic, operational, and administrative analyses to all levels of the San José Police Department. The analyses are used for crime prevention and criminal apprehension. The Crime and Intelligence Data Administrator is the advanced journey-level classification in the Crime and Intelligence Analyst series, responsible for performing analytical assignments in support of management, and for supervising the work of professional staff.

The purpose of the Side Letter Agreement (Agreement) is to address concerns related to the recruitment and retention of classifications in the Crime and Intelligence Analyst class series. As of January 2021, five of fourteen Crime and Intelligence Analyst positions were vacant. The Crime and Intelligence Analyst and Senior Crime and Intelligence Analyst classifications were determined to be below market as of January 2021. Retention of staff in these classifications is critical to the operations of the San José Police Department.

Providing employees in the Crime and Intelligence Data Administrator classification with an approximate 3.00% base pay increase will address concerns regarding the compaction between the Senior Crime and Intelligence Analyst classification and the Crime and Intelligence Data Administrator classification.

ANALYSIS

The following is a summary of the key provisions contained in the Side Letter Agreement:

Base Pay Increase Effective the first pay period after the agreement have been signed by all parties and has been approved by the City Council, employees in the classifications listed above shall receive a special pensionable base pay increase in the amounts specified above. This will result in the top and bottom of the range of employees in the Crime and Intelligence Analyst,
