[External Email]

Hello,

I am writing to support Councilmember Esparza's and Councilmember Davis' memorandum to keep our streets safe by taking action to address the increase of dangerous side shows and street racing. I live around Communications Hill, a location where many sideshows occur and keep me up at night. Side shows and street racing are putting our communities in harm's way each time they occur.

Currently, the City of San Jose and SJPd do not have the tools and resources to address these large scale, dangerous events. I am demanding the City take action and approve Councilmember Esparza's and Councilmember Davis' memorandum.

Thank you,  
Samantha

[External Email]

Hello,

I am writing to support Council member Esparza's and Council member Davis' memorandum to keep our streets safe by taking action to address the increase of dangerous side shows and street racing. Side shows and street racing are putting our communities in harm's way each time they occur.

Currently, the City of San Jose and SJPd do not have the tools and resources to address these large scale, dangerous events. I am demanding the City take action and approve Councilmember Esparza's and Councilmember Davis' memorandum.

[REDACTED] San Jose, CA 95125

Thank you!

Kim

I am a resident of communications hill and I support any and all efforts to stop the side shows we face every week at the bottom of hills sale and communications Blvd. It is not only loud and intrusive but very dangerous when the drivers speed up the hill into residential areas speeding and causing havoc!! It is only a matter of time before someone is seriously hurt!

Sincerely,  
Nausheen Chughtai

hello,

I support the Illegal Sides Prevention Initiative

We will be:

- Drafting an ordinance to target promoters of illegal street racing and sideshows
- Exploring the use of Automatic License Plate Readers and return to City Council with options for deployment in corridors that have been impacted the hardest
- Allocating the necessary funding for the Police Department to address this issue, as part of the annual budget
- Exploring the formation of a County-wide Task Force that would allow for a multijurisdictional response through Santa Clara County for illegal street racing and sideshows
- Exploring the usage of physical obstacles aimed at reducing illegal street racing and sideshows

[External Email]

Hello, I am writing to support Councilmember Esparza's and Councilmember Davis' memorandum to keep our streets safe by taking action to address the increase of dangerous sideshows and street racing. Sideshows and street racing are putting our communities in harm's way each time they occur. Currently, the City of San Jose and SJPd do not have the tools and resources to address these large-scale, dangerous events. I am demanding the City take action and approve Councilmember Esparza's and Councilmember Davis' memorandum, which can be viewed here: <https://sanjose.legistar.com/View.ashx?M=F&ID=9206421&GUID=8518F5DD-9054-429B-80F0-8A21FF5A4FD2> Thank you!

Hello,

I am writing to support Councilmember Esparza's and Councilmember Davis' memorandum to keep our streets safe by taking action to address the increase of dangerous side shows and street racing. Side shows and street racing are putting our communities in harm's way each time they occur. Apart from the dangerous practice itself, there is accompanying Graffiti, gun discharge and roadway destruction that has become unbearable to us residents!

Currently, the City of San Jose and SJPd do not have the tools and resources to address these large scale, dangerous and consistently recurring events. I am demanding the City take action and approve Councilmember Esparza's and Councilmember Davis' memorandum.

Thank you,

Daniel Osers

[External Email]

Hello,

I am writing to support Councilmember Esparza's and Councilmember Davis' memorandum to keep our streets safe by taking action to address the increase of dangerous side shows and street racing. Side shows and street racing are putting our communities in harm's way each time they occur.

Currently, the City of San Jose and SJPd do not have the tools and resources to address these large scale, dangerous events. I am demanding the City take action and approve Councilmember Esparza's and Councilmember Davis' memorandum.

Thank you,

Best Regards

Ricardo Caetano, Communications Hill Resident

Dear City Council

I am a resident in Communication Hill Community in San Jose, and I am writing to express my support for the proposal to combat illegal street racing and sideshows. For the safety of the residents and their families, I hope to see more definitive actions to prevent illegal street racing and sideshow

Minh Nguyen
