

RESOLUTION NO. _____

**A RESOLUTION OF THE COUNCIL OF THE CITY OF
SAN JOSE APPROVING A LIST OF PAVEMENT
MAINTENANCE PROJECTS ELIGIBLE FOR SAN JOSE'S
2021-2022 ALLOCATION OF THE ROAD MAINTENANCE
AND REHABILITATION ACCOUNT FUNDING, WHICH
WAS MADE AVAILABLE BY THE APPROVAL OF
SENATE BILL NO. 1, OTHERWISE KNOWN AS THE
ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017**

WHEREAS, on April 28th, 2017, Governor Brown signed Senate Bill No. 1 ("SB-1"), which created the Road Maintenance and Rehabilitation Account ("RMRA") to address deferred maintenance on the state highway and local streets and roads systems; and

WHEREAS, SB-1 requires the City of San José ("City") to meet specific reporting and accountability requirements established by the California Transportation Commission ("CTC"); and

WHEREAS, to receive the Fiscal Year 2021-2022 RMRA funds, the City must submit a City Council-approved list of projects (streets) to the CTC by May 1, 2021; and

WHEREAS, in February 2021, the Department of Transportation ("DOT") released its 3-year Pavement Maintenance Plan (2021-2023) to preserve and rehabilitate streets Citywide; and

WHEREAS, the list of streets in Attachment A recommended for submission to the CTC is intended to identify streets that would be eligible for approximately \$20,286,246 in RMRA funds available to the City for pavement maintenance in the summer of 2022 and is consistent with the 3-year Pavement Maintenance Plan; however, it may change if unforeseen circumstances arise or new information regarding other street-related projects becomes available, which is acceptable per the CTC guidelines, as the actual projects completed may differ from the original list submitted; and

WHEREAS, the City desires to use the funding to preventively maintain or resurface selected streets throughout the City, improving their condition and extending their useful life before more costly treatments, repairs or reconstruction is necessary;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE THAT:

The list of pavement maintenance projects eligible for San Jose's 2021-2022 allocation of the Road Maintenance and Rehabilitation Account funding, which was made available by the approval of Senate Bill No. 1 (SB-1), otherwise known as the Road Repair and Accountability Act of 2017, as shown in Attachment A, is hereby approved.

ADOPTED this ____ day of _____, 2021, by the following vote:

Description of Project:

Street Resurfacing: Projects that may consist of removal of failed top layer of asphalt, cold-in place recycling, overlay with hot-mix asphalt or rubberized hot-mix asphalt, striping and bike lane enhancements, and Americans with Disabilities Act (ADA) curb ramp upgrades

Street Sealing: Projects that may consist of removal of failed areas of asphalt, application of a thin layer of emulsified asphalt mixture to protect streets from water penetration and provide a new wearing surface, striping and bike lane enhancements, and ADA curb ramp upgrades.
