**SUBJECT: UPDATE TO THE JANUARY – JUNE 2021 NEIGHBORHOOD
SERVICES AND EDUCATION COMMITTEE WORK PLAN**

RECOMMENDATION

Approve the update to the January – June 2021 Neighborhood Services and Education Committee Work Plan to drop the following from the April 8, 2021 meeting:

Education & Digital Literacy Strategy Annual Report. (Library)

Purpose: Provide an annual report of the implementation of the Education & Digital Literacy Strategy, including the implementation of Quality Standards, relationships with schools and school districts, and the evolution of City programs.

ANALYSIS

The Library and Parks, Recreation, and Neighborhood Services Departments have completed the annual review of Education & Digital Literacy (EDL) programming for the period of August 2019 - June 2020. In recent weeks the City Council has provided significant policy and program direction to staff related to learning loss recovery and youth programs and services, and work is underway to implement that direction. Staff recommends returning to the NSE Committee in the early fall with an updated EDL annual report, which will include the August 2019 - June 2020 period, as well as the 2020-2021 fiscal year, and updates from the recent policy and program efforts directed by the City Council. This item will be agendaized for the Committee to hear in the fall of 2021 for the August – December 2021 NSE Workplan, which will be subject to approval at a later date.
