Please state why you want to become a member of this Board or Commission including specific objectives which you would work toward as a member. If you are applying for the Board of Fair Campaign and Political Practices, please indicate any familiarity or experience you may have with campaign laws.

Fair and free elections is a big part of democracy- and I want to contribute to the protection and integrity of that through upholding accountability and ethical campaign practices through this board. Working with SJSU's Student Election Commission in the past, I want to be the first student representative to serve on this board and ensure there is thoughtful, informed and thorough decision making processes when advising City Council on potential violations of election code. It's also important to me to have a woman serving on this board to provide diverse perspectives when investigating complaints. One of my objectives I would work towards if appointed include reviewal of election bylaws and title 12 of city code.
