WHEREAS, electronic cigarettes, also known as e-cigarettes, e-vaporizers, or electronic nicotine delivery systems, are battery-operated devices that people use to inhale an aerosol that typically contains nicotine. In addition to the nicotine, the aerosol from e-cigarettes may include up to 31 other components, including formaldehyde, acetaldehyde, glycidol, acrolein, acetol and diacetyl. Several of these compounds are likely carcinogens; and

WHEREAS, this Council has reviewed and considered the "not a project" determination under CEQA prior to taking any approval actions on this Ordinance;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SAN JOSE:

SECTION 1. Section 6.87.010 of Chapter 6.87 of Title 6 of the San José Municipal Code is amended to read as follows:

6.87.010 Purpose of Chapter

The failure of **T**obacco **R**etailers to comply with all tobacco control laws, particularly the sale of **T**obacco **P**roducts, including flavored tobacco and Electronic Cigarette Products to minors, presents an imminent threat to the public health, safety and welfare. A local licensing program for **T**obacco **R**etailers is intended to ensure that **T**obacco **R**etailers comply with tobacco control laws and business standards of the City and to protect the health, safety and welfare of those persons who reside in, work in and visit this City. State law explicitly permits cities to enact local tobacco retail licensing ordinances and allows for the suspension or revocation of a local license for a violation of any state tobacco control law. A requirement for a **T**obacco **R**etailer license will not unduly burden legitimate business activities of retailers who sell or distribute **T**obacco **P**roducts to adults but will allow the City to regulate the operation of lawful businesses to discourage violations of federal, state and local tobacco-related laws. The City has a substantial interest in promoting compliance with federal, state and local laws intended to regulate tobacco sales and use; in discouraging the illegal purchase of **T**obacco

Products, including flavored tobacco and Electronic Cigarette Products, by minors; in promoting compliance with laws prohibiting sales of Tobacco Products to minors; and in protecting children from being lured into illegal activity through the misconduct of adults. This Chapter is adopted to encourage responsible Tobacco Retailing and to discourage violation of tobacco-related laws, especially those that prohibit or discourage the sale or distribution of Tobacco Products and Electronic Cigarette Products to minors. This chapter does not expand or reduce the degree to which the acts regulated by federal or state law are criminally proscribed or alter the penalties provided by such laws. Nothing in this Chapter shall be construed to penalize the purchase, use or possession of a tobacco product by any person not engaged in the retail of tobacco.
