BACKGROUND

On February 1, 2005, the City Council adopted Resolution 72517 which requires Councilmembers to submit a memorandum to the Rules Committee regarding proposed City Council sponsored Special Events and the proposed use of any funds.

The World AIDS Day Tower and Rotunda Lighting event will begin on November 30 and will last until December 6, 2021. World AIDS Day takes place every December 1st and is an opportunity for communities around the world to come together and show their support for people living with and affected by HIV. It is also a time to remember those who have lost

their lives to AIDS. Lighting the Tower and Rotunda in red is a symbol of awareness and support for people living with HIV. The event is free and open to the public.

ANALYSIS

City Council Policy 7-14, City Hall Event Lighting Policy, Sections B.1 and C.1 allows Rotunda and Tower lighting in conjunction with proclamations for official actions or ceremonial items as approved by City Council. Approval by the City Council of the event will ensure compliance with the Council's prior direction regarding Council Special Events. In observance of existing fundraising disclosure requirements, Councilmember Raul Peralez will report any cash or in-kind donations received for the event on their Disclosure of Fundraising Report (DFR-1). Approval of this memorandum will enable Council District 3, City departments and the Office of the City Clerk to proceed with the event. Any cash donations received will be processed pursuant to the City's normal financial and budgetary procedures.

PUBLIC OUTREACH/INTEREST

The Office of the City Clerk will post the item on the City's Website for the October 20, 2021 Rules Committee Agenda and the November 2, 2021 City Council Agenda.
