Please describe your experience in serving on a Commission or Board.

I've served on non-profit boards (education, cancer research) and a corporate board (fraternal organization).

Considering your experience and activities in business, labor, professional, social, or other organizations, indicate the experience, training, knowledge and/or skills which qualify you for appointment to the selected commission(s).

I have solid experience in active listening and thoughtful consideration of diverse views. I respect others perspectives although I may not always agree with them. I enjoy working with people that may have different views, experiences and cultures.

What is your understanding of the purpose of the Commission?

My understanding is that the Appeals Hearing Board reviews code enforcement issues (i.e., unsafe living conditions, garbage liens) to keep San Jose safe and beautiful. This quasi-judicial organization, provides code enforcement procedures instead of using a criminal or civil judicial enforcement. The Neighborhood Commission reviews and makes recommendations to the City Council regarding issues and policies affecting the quality of life in San José neighborhoods focusing on neighborhood safety, transportation, and code enforcement.

Please list three issues facing the City that you feel the Commission should address.

1) Abandoned vehicles; 2) unsafe and unclean living conditions, including homeless encampments; and 3) illegal dumping of garbage/debris.
