**WHEREAS**, on June 12, 2020, the Council of the City of San José ("City") approved a recommendation, based on a City Council memorandum issued by Councilmember Lan Diep, requiring all City Council actions related to approving Police Department requests, such as the purchase of new equipment or acceptance of equipment from the Pentagon, be agendized on the City Council's regular agenda rather than the consent calendar; and

**WHEREAS**, staff recommends that the City end the practice of agendizing all Police Department requests on the regular agenda and resume the practice of using the City Administration's standard criteria of cost, significance, and public interest to determine if an item should be placed on the consent calendar; and

**WHEREAS**, the City wishes to resume the practice of using the City Administration's standard criteria of cost, significance, and public interest to determine if an item should be placed on the consent calendar to ensure that routine purchases for the Police Department can be expeditiously reviewed and approved by the City Council;

**NOW, THEREFORE**, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE THAT:

The practice of placing items related to the Police Department on the consent calendar using the Administration's standard criteria of cost, significance, and public interest to determine whether an item is appropriate for the consent calendar is hereby resumed and the practice of agendizing all Police Department items for the regular agenda instead of the consent calendar as directed by the City Council on June 12, 2020 is hereby ended.
