Accept the recommendation of Councilmembers Peralez, Rocha, Jimenez and Carrasco, and return to Council with a Staff recommendation on September 18 regarding the approach to a citywide nexus study, including the following elements:

1. Inclusion of a feasibility study to be pursued in tandem with the nexus study, to assess market impacts of development with variations of fee levels, geographic location, land use, and building type such as high tech office, retail, industrial, and office.

2. Exploration of a separate study for a Downtown Core Commercial (office and R & D) development impact fee, which would address affordable housing and infrastructure needs (i.e. transit and parks).

3. Report back to the City Council in November with the following:

a. Scope of work for a nexus study and feasibility study, including consultant selection, a funding strategy, and timeline for completion of the studies.

b. Include a Regional Commercial Linkage Fee as a legislative priority of the City, as previously discussed by the City Council.

4.7 18-1658 Temporary Use of Properties for Homeless Emergency Assistance Program. - DROP

(a) Direct the Housing Department and the Office of Economic Development to approach Google about allowing the temporary use of one or more of their recently purchased properties for the purposes of creating additional shelter beds within San José.

(b) Recommend the following parameters to guide the negotiations with Google:

(1) Temporary use should be for no less than two years;

(2) Shelter should be year-round;

(3) Leasing of property from Google should be negotiated at the least possible cost to the City;

(4) Google's agreement to lease property to the City will not count towards their anticipated community benefit contributions;

(5) There should be a definitive end date for use of property, and the City should lead the closure.
