**Actions Related to the Public Safety Power Shutoff Events After Action Report.**

Accept the Public Safety Power Shutoff Events After Action Report and direct staff to take appropriate actions to implement the following recommendations:

- (a) Renew focus on Access and Functional Needs planning, with a forward-leaning approach to solidify the City’s commitment to our vulnerable populations;
- (b) Update the Power Vulnerability Plan to include lessons learned, including further study critical facility redundant power and transportable power generation to ensure future resiliency to Public Safety Power Shutoff events;
- (c) Continue to improve relationship with PG&E and the County to allow for ongoing open communication before, during and after an event;
- (d) Conduct a review of how to leverage existing City data platforms to more efficiently capture costs associated with large-scale emergencies and disasters;
- (e) Update Emergency Operations Center technology tools to better capture situation status and reporting, including Geographic Information Systems resources.
