Actions Related to the Public Safety Power Shutoff Events After Action Report.

Accept the Public Safety Power Shutoff Events After Action Report and direct staff to take appropriate actions to implement the following recommendations:

- (a) Renew focus on Access and Functional Needs planning, with a forward-leaning approach to solidify the City's commitment to our vulnerable populations;
 - (b) Update the Power Vulnerability Plan to include lessons learned, including further study critical facility redundant power and transportable power generation to ensure future resiliency to Public Safety Power Shutoff events;
 - (c) Continue to improve relationship with PG&E and the County to allow for ongoing open communication before, during and after an event;
 - (d) Conduct a review of how to leverage existing City data platforms to more efficiently capture costs associated with large-scale emergencies and disasters;
 - (e) Update Emergency Operations Center technology tools to better capture situation status and reporting, including Geographic Information Systems resources.
- CEQA: Not a Project, File No. PP17-010, City Organizational and Administrative Activities resulting in no changes to the physical environment. (City Manager)
