Report on Request for Proposal for Automated Traffic Signal Performance Measures System.

Accept the report on the Request for Proposal and adopt a resolution authorizing the City Manager to:

- (a) Negotiate and execute an agreement with Econolite Systems, Inc. (Anaheim, CA) for the purchase and deployment of an Automated Traffic Signal Performance Measures System at 100 signalized intersections along 10 major commuter corridors in the City of San José, including software licenses and subscriptions, associated professional services for project management, implementation, training, and maintenance and support for an initial three-year term beginning on or about October 1, 2020 and ending on or about September 30, 2023 with a maximum compensation not to exceed \$236,767, subject to the appropriation of funds;
- (b) Negotiate and execute amendments and change orders as required for any unanticipated changes for a contingency amount not to exceed \$24,000 during the initial three-year term, subject to the appropriation of funds; and
- (c) Exercise up to seven one-year options to extend the term of the agreement through September 30, 2030 for ongoing software subscriptions, technical support and maintenance, and related professional services as may be required, subject to the appropriation of funds.
