### **Berryessa Urban Village. (Liccardo, Carrasco, Peralez, Diep)**

Direct staff to consider the following as the Berryessa Urban Village planning process begins:

1. Explore expanding the boundaries of the Berryessa Urban Village and reconsidering land use designations to better capture additional opportunities for employment-particularly for office and research & development along Mabury and Berryessa Roads.
2. Study ways to preserve the remaining industrial properties that may be included within the Urban Village, while allowing additional commercial capacity.
