### **Temporary Use of Properties for Homeless Emergency Assistance Program. - DROP**

(a) Direct the Housing Department and the Office of Economic Development to approach Google about allowing the temporary use of one or more of their recently purchased properties for the purposes of creating additional shelter beds within San José.

(b) Recommend the following parameters to guide the negotiations with Google:

- (1) Temporary use should be for no less than two years;
- (2) Shelter should be year-round;
- (3) Leasing of property from Google should be negotiated at the least possible cost to the City;
- (4) Google's agreement to lease property to the City will not count towards their anticipated community benefit contributions;
- (5) There should be a definitive end date for use of property, and the City should lead the closure.

CEQA: Not a Project, File No. PP17-008, General Procedure & Policy Making resulting in no changes to the physical environment. (Jimenez)
