Council Policy Priority #25: Private Property Graffiti Abatement Ordinance.

(a) Direct staff to implement changes to the graffiti abatement process, whereby Parks, Recreation and Neighborhood Services Department staff would reinspect sites where there is a second complaint, and forward the complaint to the Code Enforcement Division, thereby shortening the abatement process.

(b) Determine that the Council Policy Priority #25 is completed and will be removed from the Council Policy Priority list at the next priority-setting session in 2020.

CEQA: Not a Project, File No. PP17-007, Preliminary direction to staff and eventual action requires approval from decision-making body. (Parks, Recreation and Neighborhood Services)
