6/8/2021	1	City Council		

Dewatered Biosolids Management Strategy for the San José-Santa Clara Regional Wastewater Facility.

Approve the dewatered biosolids management strategy to be implemented in stages in the next five to ten years, which includes off-site disposition service contracts, an on-site fertilizer partnership facility, and land application on local natural and working lands.

CEQA: Not a Project, File No. PP17-007. Preliminary direction to staff and eventual action requires approval from decision-making body. (Environmental Services)
