H21-049 - Administrative Appeals Hearing on the Initial Study/Mitigated Negative Declaration and the Site Development Permit for the 1436 State Street Corporation Yard Project. - NOT TO BE HEARD BEFORE 4:00 P.M.

(a) Conduct an Administrative Hearing to consider the following appeals of the Planning Director's:

(1) Adoption of the Mitigated Negative Declaration for the 1436 State Street Project in accordance with the California Environmental Quality Act (CEQA); and

(2) Approval of Site Development Permit File No. H21-049 for the State Street Corporation Yard Project to allow the reconfiguration of an existing vacant building to warehouse and incidental office use, the addition of an outdoor materials storage pad, a propane tank, and a utility building with staff locker rooms and a trash enclosure, for a new corporation yard on an approximately 0.97-gross acre site located at 1436 State Street.

(b) Adopt a resolution denying the environmental appeal and adopting the 1436 State Street Project Mitigated Negative Declaration, for which an Initial Study was prepared, and the associated Mitigation Monitoring and Reporting Program, in accordance with CEQA, as amended and finding that:

(1) The City Council has read and considered the Initial Study/Mitigated Negative Declaration (IS/MND) for the 1436 State Street Project and related administrative record in connection with Site Development Permit No. H21-049;

(2) The 1436 State Street Project IS/MND was prepared in full compliance with the California Environmental Quality Act (CEQA) of 1970, as amended, together with State and local implementation guidelines;

(3) Adoption of the 1436 State Street Project MND reflects the independent judgement and analysis of the City of San José; and

(4) Preparation of a new environmental document is not required because the IS/MND thoroughly and adequately analyzed the project, and the environmental appeal does not raise any new significant impacts that have not already been analyzed or addressed in the IS/MND in accordance with Public Resources Code (PRC) Section 21083 or CEQA Guidelines Sections 15073 and 15185.

(c) Adopt a resolution denying the permit appeal and approving, subject to conditions, a Site Development Permit to allow the reconfiguration of an existing vacant building to warehouse and incidental office use, the

addition of an outdoor materials storage pad, a propane tank, and a utility building with staff locker rooms and a trash enclosure, for a corporation yard on an approximately 0.97-gross acre site located on the north side of State Street, approximately 290 feet easterly of Essex Street (1436 State Street; APNs: 015-11-056, 015-11-085, and 015-11-094).
