San Jose Complete Streets Design Guidelines. (Department of Transportation)

Accept report on San Jose's Complete Streets Design Guidelines and recommend that the City Council adopt a resolution to:

- (a) Adopt the San José Complete Streets Design Guidelines that will serve as the official street design guide to be used by staff in the design of San Jose streets for all roadway users;
- (b) Adopt Complete Streets principles, implementation methods, and exceptions as required by the Valley Transportation Authority (VTA) to be eligible to receive VTA 2016 Measure B funding;
- (c) Endorse the National Association of City Transportation Officials (NACTO)'s Design Guidance, which serves as a model for the City's Complete Streets Guidelines.
