Old City Hall Annex Site. (Rocha and Peralez)

Secure the quickest possible path pursuant to building housing on the site of the Old City Hall Annex by providing staff direction as below:

- 1) Coordinate with Santa Clara County Staff to create a streamlined plan and timeline for the building of permanent supportive housing on the Old City Hall Annex site.
- 2) Present a timeline for the necessary rezoning and environmental review process on the November 26 Community and Economic Development Committee (CED) meeting per PBCE Director Rosalynn Hughey's September 17 informational memo titled "Old City Hall Annex Building" (attached).
- 3) Before the conclusion of 2018, provide the Mayor and City Council with an informational memo detailing the project plan and including a status update on the site's environmental review and rezoning process.
