Public Wayfinding & Information Kiosks within the Downtown Sign Zone. (Khamis, Peralez)

1. Direct staff to bring to the Community and Economic Development Committee, for later cross-reference to the City Council, appropriate amendments to City code to allow the Downtown Association to place kiosks in the public right-of-way that operate as public wayfinding and information portals within the downtown sign zone, at no cost to the City and that ensure consistency of kiosks with the City's existing initiatives around wayfinding, including design standards and stakeholder access.
2. Add "Wayfinding & Information Kiosks Sign Code Changes" to the 2019 January-June work plan of the Community and Economic Development Committee.
