Direct the City Manager to incorporate the following into the Council Study Session on the 2019-2020 Budget:

- A. Creation of an *Equity Fund* which would support the equitable distribution of City resources and services and bridge the gap between the City's under-resourced, diverse communities and prosperous neighborhoods,
- B. Explore the possibility of funding the *Equity Fund* through the Marijuana Business Tax, the Construction Excise Tax or other unrestricted sources, and;
- C. Explore opportunities for bringing an equity lens when determining resources, programming and access to neighborhood services in diverse communities throughout the city.
