San José Diridon Station Integrated Concept Plan.

Accept the staff recommendation of the Concept Layout for the San José Diridon Station, advance the project to the next phase of development, and commit to work to develop a design for the southern rail corridor that results in noise, vibration, and visual conditions that are no worse and ideally better than today, even with higher future train volumes.

CEQA: Not a Project, File No. PP17-009, Staff Reports, Assessments, Annual Reports, and Informational Memos that involve no approvals of any City action. Council Districts 3 and 6. (Transportation)
