Accelerate the Council direction of March 13, 2018, to proceed with the General Plan Amendment of all parcels comprising mobile home parks with high-density residential housing designations-including Westwinds Mobile Home Park-to an exclusively “Mobilehome Park” land use designation. Proceed immediately with this recommendation to the January 23, 2020 Housing and Community Development Commission Meeting, and to the Planning Commission and Council meetings that immediately follow, for a final determination.
