**Update on Digital Access and Inclusion for Schools during COVID-19.**

(a) Accept staff report on expanding digital inclusion to households of school aged students through various partnerships.

(b) Approve a letter for signature by Council and distribution to internet service providers serving San José to take the following actions in light of the continuing COVID-19 emergency:

(1) Extend the interim free service at least through July 31, 2020;

(2) Sign up households who qualify for the National School Lunch Program (NSLP) without requiring a letter from the school at this time because they are closed and unable to provide verification of eligibility until later in 2020;

(3) Establish a process to designate all families in schools with a high percentage of NSLP students to be eligible for the program by “auto-enrolling” the school.
