Definition of Racial Equity.

Adopt a resolution accepting the proposed definition of racial equity:

"Both a process and an outcome, racial equity is designed to center anti-racism, eliminate systemic racial inequities, and rooted in the acknowledgement of the City of San Jose's historical and existing practices that have led to discrimination and injustices to Black, Indigenous, Latino/a/x, Asian, and Pacific Islander communities.

The racial equity process is an explicit, intentional, and continual practice of prioritizing psychologically safe spaces and a sense of belonging for racial groups that have been most negatively impacted in policies and practices. It is action that prioritizes liberation and measurable change, and centers lived experiences of all impacted racial groups.

As an outcome, racial equity is achieved when race can no longer be used to predict life outcomes, and everyone can prosper and thrive."
