

Memorandum

TO: HONORABLE MAYOR
AND CITY COUNCIL

FROM: Aram Kouyoumdjian

SUBJECT: See Below

DATE: September 11, 2025

Approved

Date:

9/18/2025

COUNCIL DISTRICT: Citywide

SUBJECT: Approval of the Terms of an Agreement with the San José Police Officers' Association for the Term of July 1, 2025 through September 30, 2028

RECOMMENDATION

Adopt a resolution approving the terms of a collective bargaining agreement between the City of San José and the San José Police Officers' Association for the term of July 1, 2025, through September 30, 2028, and authorizing the City Manager, or her designee, to execute the agreement with those terms.

SUMMARY AND OUTCOME

Adoption of the resolution and authorization to execute an agreement would result in a collective bargaining agreement between the City of San José (City) and the San José Police Officers' Association (SJPOA) and authorize the City Manager, or her designee, to execute an agreement with a term of July 1, 2025, through September 30, 2028.

BACKGROUND

The City's collective bargaining agreement with the SJPOA expired on June 30, 2025. The SJPOA currently represents approximately 1,166 full-time-equivalent positions, including the classifications of Police Officer, Police Sergeant, Police Lieutenant, and Police Captain in the San José Police Department (SJPd).

In April 2025, negotiations with the SJPOA on a successor agreement commenced, and on September 4, 2025, the City and the SJPOA reached an overall Tentative Agreement on the terms to be contained in the successor Memorandum of Agreement between the City and the SJPOA.

The Tentative Agreement on a successor Memorandum of Agreement has been ratified by the SJPOA membership.

ANALYSIS

A complete copy of the Tentative Agreement is attached. The following is a summary of key provisions of the Tentative Agreement.

Fiscal Year 2028-2029

The SJPOA agreed that any general wage increase negotiated for Fiscal Year 2028-2029 will exclude the period of July 1, 2028 to September 30, 2028 and will pertain solely to the period

between October 1, 2028 and June 30, 2029. The SJPOA further agreed to forgo any claim of a "credit" toward – or prorated enhancement of – any general wage increase for Fiscal Year 2028-2029 due to the extension of the July 2027 general wage increase through September 30, 2028.

Longevity Pay

Fiscal Year 2026-2027

Effective the first full pay period of fiscal year 2026-2027, an employee who has completed eight (8) years of service with the City of San José in one or more classifications assigned to the Association shall be eligible to receive an ongoing non-pensionable Longevity Pay equivalent to approximately 1.00% of their base salary.

Fiscal Year 2028-2029

Effective the first full pay period of fiscal year 2028-2029, the ongoing non-pensionable Longevity Pay shall be increased by 1.25% to a total of 4.00% of the employee's base salary.

- If an employee has twenty (20) or more years of service with the City of San José in one or more classifications assigned to the Association, this 1.25% shall be pensionable. For employees with twenty (20) or more years of service with the City of San José, this 1.25% shall be pensionable as of the first full pay period of fiscal year 2028-2029. Thereafter, for employees who complete twenty (20) years of service in classifications assigned to the Association, Longevity Pay shall become pensionable during the last full pay period of the fiscal year in which twenty (20) years of service were completed – regardless of when during the course of that fiscal year a newly-eligible employee completed the requisite twenty (20) years of service.

Credit for previous sworn public service shall be given for completed years of sworn service as a full-time benefitted employee. If an Officer worked at a public service agency on a part-time benefitted basis, completed years will be based on the completion of 2,080 hours.

**Crisis
Intervention
Training Pay**

Effective the last full pay period of Fiscal Year 2027-2028 and each fiscal year thereafter, the Crisis Intervention Training Pay shall become pensionable for employees who have completed twenty (20) years of service in classifications assigned to the Association.

For employees who complete twenty (20) years of service in classifications assigned to the Association, the Crisis Intervention Training Pay shall become pensionable during the last full pay period of the fiscal year in which twenty (20) years of service were completed – regardless of when during the course of that fiscal year a newly-eligible employee completed the requisite twenty (20) years of service.

Credit for previous sworn public service shall be given for completed years of sworn service as a full-time benefitted employee. If an employee worked at a public service agency on a part-time benefitted basis, completed years will be based on the completion of 2,080 hours.

**Side Letter - Tier 2
Evaluation**

Prior to July 1, 2026 the parties shall convene to begin work toward developing a potential Tier 2 framework that considers:

- A career path that encourages long-term service in San José;
- Retirement benefits that take into account the structure of retirement benefits in peer jurisdictions; and,
- Sustainability for the retirement system and the City's fiscal obligations.

To support this effort, the City and the POA shall:

1. Identify and evaluate potential modifications to the Tier 2 system, which may include but are not limited to such possibilities as:
 - o Introducing a hybrid-defined benefit/defined contribution model;
 - o Modifying retirement age or service thresholds;
 - o Adjusting the pension formula;
 - o Considering a new Tier 3 designed for future hires that would meet each party's needs.
2. Retain an independent actuary, selected by mutual agreement, to develop cost estimates and financial modeling of any proposed modifications. The City agrees to pay for the cost of an actuary to evaluate up to 3

mutually agreed upon different models/options. The cost to develop cost estimates and financial modeling of any further models/options shall be shared equally between the parties, unless agreed otherwise.

3. If appropriate, retain mutually agreed upon retirement benefit experts to advise on plan design, peer benchmarking, and long-term sustainability. The costs of such expert(s) shall be shared equally between the parties.
4. Meet at regular intervals to review findings, evaluate design alternatives, and consider pathways to implementation consistent with applicable City Charter requirements.

The parties agree that no promises, representations, understandings or warranties have been made or relied upon by any party other than those that are expressly contained herein. The parties further agree that any agreed upon modifications to the current Tier 2 system will be subject to approval by the City Council, ratification by SJPOA membership and potential voter approval.

Compensatory Time

Effective Fiscal Year 2025-2026, and every Fiscal Year thereafter, every employee who has a compensatory time balance of 200 or more hours on July 1 of the fiscal year must use at least forty (40) hours of compensatory time by the last pay period of March of each fiscal year. (For the current fiscal year, the compensatory time balance of 200 or more hours will be assessed upon approval of this agreement by City Council.) Employees who are military reservists shall be exempted from this Section.

If an employee has not used at least forty (40) hours of compensatory time as paid leave by the last pay period of March in a given Fiscal Year, the Department can require the employee to immediately take time off to reduce their outstanding amount of accrued compensatory time off by forty (40) hours in each Fiscal Year.

Fiscal Year 2026-2027

Effective the first full pay period of Fiscal Year 2026-2027, a new compensatory time cap of 440 hours will be effectuated. Employees with compensatory time balances in excess of this

new compensatory time cap shall have those excess hours paid out in cash.

Fiscal Year 2027-2028

Within Fiscal Year 2027-2028, the City, at its sole discretion, shall have the option to further reduce the compensatory time cap by up to an additional 40 hours. If the City elects to reduce the compensatory time cap, employees with compensatory time balances in excess of the new compensatory time cap shall have those hours paid out in cash.

Fiscal Year 2028-2029

Within Fiscal Year 2028-2029, the City, at its sole discretion, shall have the option to further reduce the compensatory time cap by up to an additional 40 hours. If the City elects to reduce the compensatory time cap, employees with compensatory time balances in excess of the new compensatory time cap shall have those hours paid out in cash.

**MERGE/TNU and
SNIPER
Grievance
Settlement**

In resolution of a grievance filed on January 17, 2024, including any claims related to retroactivity, the City and the SJPOA agree that effective September 28, 2025, employees in the classification of Police Officer, Police Sergeant, and Police Lieutenant who are collaterally assigned to the Mobile Emergency Response Group and Equipment Unit (MERGE) as either an employee in the Tactical Negotiations Unit (TNU) or as a Sniper, shall be paid a non-pensionable 5% premium pay each biweekly period of such collateral assignment. The non-pensionable 5% premium pay is in lieu of any Standby Duty Pay.

The SJPOA acknowledges that the non-pensionable 5% premium pay currently received by employees in MERGE is in lieu of Standby Duty Pay.

The SJPOA waives any and all claims for Standby Duty Pay for employees in MERGE/TNU or employees who are Snipers.

The City shall pay a one-time, lump sum payment of \$400,000 to be distributed to employees who have been on standby as either an employee in the TNU or as a Sniper between the date of the grievance and the effective date of the settlement.

Standby Pay Effective the Police Department's November 2025 shift change, any employee assigned to perform standby duty in accordance with this article, due to a new assignment or change in assignment, shall be credited with two (2) hours compensation at the 1.0 rate for such standby duty performed on a regularly assigned workday and three (3) hours compensation at the 1.0 rate for such standby duty assigned on regularly scheduled days off. Such compensation shall be provided as set forth in Section 13.6 of this Article.

Labor Management Meetings A labor-management meeting between the SJPD and the SJPOA shall be held on a monthly basis. The labor-management meeting shall consider and discuss broadly matters of mutual concern pertaining to the improvement of the Department and the welfare of its employees.

Side Letter – Police Department Operational Issues The City and the SJPOA agree to monthly meetings from September 2025 to February 2026, to discuss operational issues, including, but not limited to, an overtime staffing plan, redistricting and workload equalization, schedules and bidding, strategies to reduce overtime, police reform issues, the SJPD's early intervention system, and calls for service.

Side Letter - Union Release Time An additional 0.5 position for the SJPOA's Sergeant-at-Arms shall be allocated to the SJPOA through February 2026 to coincide with the Side Letter agreed to by the parties related to SJPD Operational Meetings. This Side Letter Agreement will expire on March 1, 2026. Under no circumstances shall this Side Letter continue unless mutually agreed to by the parties.

Disciplinary Arbitrations For disciplinary matters, the City and the SJPOA shall each select two arbitrators from a list of arbitrators who are registered with the California State Mediation and Conciliation Service.

Discovery will be allowed only in cases where the proposed discipline is termination. In such cases, reasonable written discovery as determined by the arbitrator is permissible. Depositions will be limited to a maximum of three noticed/taken by the Association and three depositions noticed/taken by the City. The City may not depose the subject officer as part of the grievance arbitration procedure. Each deposition shall not exceed three hours in duration. Each deposition can only be recorded stenographically and cannot be audio or video recorded.

No remedy or award in favor of the employee shall include payment for overtime not in fact worked by the employee.

Each party shall be responsible for its own legal fees and costs, including without limitation, attorney's fees, costs, and expenses.

**Side Letter -
Custody Transfer
Officer
Classification**

The City and the SJPOA agree that the Custody Transport Officer Classification shall assume the duties of transporting, booking, and monitoring arrestees under the general supervision of a Police Lieutenant.

**Side Letter -
Lateral Police
Officer Hiring
Incentive Pilot
Program**

Lateral Police Officers (2215) will be eligible for the following non-pensionable lump sum payments as specified in the table below:

Police Officer (2215)	
Timing	Hiring Incentive
Upon Hire	\$5,000
Upon Completion of 6 months	\$5,000
Upon Passing Probation	\$10,000
Total	\$20,000

The payment of the one-time, non-pensionable lump sum hiring incentive to lateral Police Officers is contingent on the employee being continuously employed in the Police Officer classification through their one (1) year anniversary of passing probation.

State Troopers and Federal Police Officers will be eligible for a \$10,000 one-time non-pensionable payment upon passing probation (2,080 hours).

If an employee receives any portion or all of the one-time, non-pensionable lump sum hiring incentive, and separates from City employment or accepts another position within the City that is not within the Police Officer class series prior to their one (1) year anniversary of passing probation in the Police Officer series, the employee forfeits the one-time, non-pensionable lump sum hiring incentive and, to the extent permitted by law, will be required to reimburse the City for the entire amount of the hiring incentive they have received. The employee may sign an agreement to deduct the bonus amount from his or her final paycheck of wages, subject to applicable laws. In the absence of such an agreement, the City shall deduct the hiring incentive amount from the employee's leave payouts. If the employee's leave payout

amounts are not adequate to cover the entire amount of the hiring incentive, the City shall pursue the reimbursement of the bonus through any other lawful means, including the collection process.

Health-In-Lieu

Effective September 28, 2025, employees who qualify for and participate in the payment-in-lieu of health insurance program will receive \$102.00 (currently \$89.09) per pay period for single rate.

**Secondary
Employment
Insurance
Program – Officer
Contribution Rate**

The Officer contribution rate for the Secondary Employment Law Enforcement Professional Liability Insurance Program shall be increased from \$110 to \$200.

Other Side Letters

The parties agree to continue discussions related to the following issues:

- Impacts of 2-Officer Car Assignments for Patrol beyond the Western Division
- Impacts of District-wide Dispatching for Patrol beyond the Western Division

EVALUATION AND FOLLOW-UP

No further follow-up action with the City Council is expected at this time.

COST SUMMARY/IMPLICATIONS

In 2025-2026, the increased cost of the 7.00% general wage increase effective September 28, 2025, and without retroactivity, is approximately \$13.7 million in the General Fund (prorated from the annual ongoing cost of approximately \$18.7 million). The increased cost of Health-in-Lieu is approximately \$10,000 ongoing in the General Fund. The total increased costs in 2025-2026 will be offset by a recommended decrease to the Salaries and Benefits Reserve as part of the budget actions for City Council consideration as part of the 2025-2026 Mid-Year Budget Review. These costs are not inclusive of any potential increase to the Police and Fire Department Retirement Plan's unfunded liability that may occur because this pensionable wage increase exceeds the actuarial assumptions of the Police and Fire Board. The ongoing costs will be factored into the annual development of the Base Budget.

The expected ongoing savings of the reduction of the Standby Pay rate from 1.5x to 1.0x is approximately \$0.9 million ongoing in the General Fund and is anticipated to be fully realized over a period of roughly three fiscal years. The anticipated savings of the increased employee contribution toward secondary employment liability insurance is approximately \$50,000 ongoing in the General Fund.

In 2026-2027, the increased cost of the 5.00% general wage increase is approximately \$14.3 million ongoing in the General Fund. The increased cost due to the Longevity Pay in Fiscal Year 2026-2027 is approximately \$1.4 million ongoing in the General Fund. The one-time buydown of compensatory time to the new cap of 440 hours is anticipated to be approximately \$1.9 million in the General Fund. The ongoing costs will be factored into the annual development of the Base Budget.

In 2027-2028, the increased cost of the 3.00% general wage increase is approximately \$9.0 million ongoing in the General Fund. The increased cost due to the increased Longevity Pay and the conversion of non-pensionable to pensionable for the Crisis Intervention Training pay for employees with 20 or more years of service in Fiscal Year 2027-2028 is approximately \$3.9 million ongoing in the General Fund. The ongoing costs will be factored into the annual development of the Base Budget.

In 2028-2029, the increased cost due to the increased Longevity Pay and the conversion of non-pensionable to pensionable for a portion of the Longevity Pay for employees with 20 or more years of service in Fiscal Year 2028-2029 is approximately \$3.0 million ongoing in the General Fund. The ongoing costs will be factored into the annual development of the Base Budget.

CITY COUNTER PROPOSAL TO POA PROPOSAL #15 – TIER 2 EVALUATION

SIDE LETTER AGREEMENT
BETWEEN
THE CITY OF SAN JOSE
AND
THE SAN JOSE POLICE OFFICERS' ASSOCIATION (POA)

Tier 2 Evaluation Process

The parties acknowledge that post-employment benefit packages play an important role in recruitment and retention.

The parties further acknowledge that the current Tier 2 retirement benefit provided to police officers is subject to the terms and conditions contained in the **EXTENSION OF THE RETIREMENT MEMORANDUM OF AGREEMENT** (MOA) tripartite agreement that expires on June 30, 2030.

The parties understand that any changes to the current Tier 2 retirement benefit *prior* to June 30, 2030 would require each signatory to the above referenced MOA to:

- Meet and confer over any changes,
- Agree on any changes, and
- Seek formal approval of any agreed-upon changes through either (a) approval by the City Council and ratification by respective membership bodies of the signatories, or (b) voter approval via charter amendment, as required by the City Charter.

In recognition of the long-term importance of providing a pension structure that can attract and retain top-tier officers while preserving the fiscal health of the retirement system, the parties hereby agree to establishing a joint process through which the design of the current Tier 2 benefit shall be reviewed and evaluated.

No later than July 1, 2026, the parties agree to commence good-faith discussions on potential modifications to the current Tier 2 retirement benefit for police officers. It is the intent of the parties to work collaboratively in the review of the current pension structure and in the evaluation of any potential modifications to such structure.

Prior to July 1, 2026, the parties shall convene to begin work toward developing a potential Tier 2 framework that considers the following:

- A career path that encourages long-term service in San Jose,
- Retirement benefits that take into account the structure of retirement benefits in peer jurisdictions,
- Sustainability for the retirement system and the City's fiscal obligations.

2025 CITY OF SAN JOSÉ – POA NEGOTIATIONS

To support this effort, the parties agree to:

1. Identify and evaluate potential modifications to the Tier 2 system, which may include but are not limited to such possibilities as:
 - Introducing a hybrid defined benefit/defined contribution model;
 - Modifying retirement age or service thresholds;
 - Adjusting the pension formula;
 - Considering a new Tier 3 designed for future hires that would meet each parties needs.
2. Retain an independent actuary, selected by mutual agreement, to develop cost estimates and financial modeling of any proposed modifications. The City agrees to pay for the cost of an actuary to evaluate up to 3 mutually agreed upon different models/options. The cost to develop cost estimates and financial modeling of any further models/options shall be shared equally between the parties, unless agreed otherwise.
3. If appropriate, retain mutually agreed upon retirement benefit experts to advise on plan design, peer benchmarking, and long-term sustainability. The costs of such expert(s) shall be shared equally between the parties.
4. Meet at regular intervals to review findings, evaluate design alternatives, and consider pathways to implementation consistent with applicable City Charter requirements.

The parties agree that no promises, representations, understandings or warranties have been made or relied upon by any party other than those that are expressly contained herein. TIME OFF**

City Proposed Language:

ARTICLE 13 HOURS OF WORK AND OVERTIME

13.6 An employee authorized or required to work overtime who works in excess of eight (8) hours per day, or ten (10) hours per day if assigned to a work schedule of four/ten-hour work days, or in excess of forty (40) hours per workweek, shall be compensated at the rate of time and one-half the employee's base hourly rate, except when such excess hours result from a change in such employee's workweek or shift or from the requirement that such employee fulfill their workweek requirement. All time worked shall be reported in fifteen (15) minute increments. The POA's agreement to Article 13.6 does not waive any rights it may have for claims related to reporting time worked in fifteen (15) minute increments under California law.

13.6.1 An employee assigned to work overtime may either request to be paid for such overtime worked or be credited with compensatory time, provided that the employee makes such election during the pay period in which the over time is worked, and provided further, that in the event the employee requests payment for such over time, the applicable budget for the Department may accommodate such payment. Payment for overtime worked, authorized pursuant to this paragraph, shall be made as soon after the pay period in which the overtime is worked as practical, but in no event longer than ~~two~~one pay periods after the pay period in which the overtime is worked.

13.6.1.1 Employees assigned to "pay cars" and/or assigned to work on overtime in the programs noted herein shall be paid in cash for such overtime worked. The City reserves the right to modify the listed functions as necessary.

2025 CITY OF SAN JOSÉ – POA NEGOTIATIONS TENTATIVE AGREEMENT

~~13.6.2 The outstanding amount of accrued compensatory time owed to an employee shall not exceed 240 hours by the end of each calendar year. An employee may exceed the 240 limit during the year but shall be responsible for bringing the balance back to the 240 hour maximum level by taking the time off prior to the end of the calendar year. This time off must be pre-approved by the supervisor.~~

~~13.6.2.1 Once an employee's compensatory time balance reaches 300 hours, all requested time off, other than for sick leave purposes, must be coded as compensatory time off, until the compensatory time balance is below 240 hours, at which point an employee may elect to use any available vacation leave or compensatory time, unless the employee is within 60 hours of reaching the maximum vacation balance, at which point it will be the employee's election.~~

13.6.2 Effective Fiscal Year 2025-2026, following union ratification and Council approval in open session and every Fiscal Year thereafter, every employee who has a compensatory time balance of 200 or more hours on July 1 of the fiscal year must use at least forty (40) hours of compensatory time by the last pay period of March of each fiscal year. For Fiscal Year 2025-2026, every employee who has a compensatory time balance of 200 or more hours upon approval of this agreement by Council in open session must use at least forty (40) hours of compensatory time by the last pay period of March 2026. Compensatory time may be coded in increments consistent with Section 13.6. Employees who are military reservists shall be exempted from this Section.

If an employee has not used at least forty (40) hours of compensatory time as paid leave by the last pay period of March in a given Fiscal Year, the Department can require the employee to immediately take time off to reduce their outstanding amount of accrued compensatory time off by forty (40) hours in each Fiscal Year.

If an employee has used at least forty (40) hours of compensatory time as paid leave by the end of March, the employee shall not be required to immediately take time off in that Fiscal Year to reduce any of their outstanding amount of accrued compensatory time off.

For purposes of this section, compensatory time payouts as specified in section 13.6.3, 13.6.4, and 13.6.5 shall not be considered compensatory time used as paid leave.

2025 CITY OF SAN JOSÉ – POA NEGOTIATIONS TENTATIVE AGREEMENT

13.6.3 Fiscal Year 2026-2027

Effective the first full pay period of Fiscal Year 2026-2027, a new compensatory time cap of 440 hours will be effectuated. Employees with compensatory time balances in excess of this new compensatory time cap shall have those excess hours paid out in cash.

13.6.4 Fiscal Year 2027-2028

Within Fiscal Year 2027-2028, the City, at its sole discretion, shall have the option to further reduce the compensatory time cap by up to an additional 40 hours. If the City elects to reduce the compensatory time cap, employees with compensatory time balances in excess of the new compensatory time cap shall have those hours paid out in cash.

13.6.5 Fiscal Year 2028-2029

Within Fiscal Year 2028-2029, the City, at its sole discretion, shall have the option to further reduce the compensatory time cap by up to an additional 40 hours. If the City elects to reduce the compensatory time cap, employees with compensatory time balances in excess of the new compensatory time cap shall have those hours paid out in cash.

13.6.~~63~~ Once compensatory time off has been approved and scheduled, the employee shall be permitted to take such time off, unless emergency circumstances necessitate cancellation of such scheduled time off. In such event, the employee will remain credited with the compensatory time canceled.

13.6.~~74~~ ~~Except as provided in Section 13.6.5 below, overtime~~Overtime worked by the employee for compensatory time shall remain compensatory time to be taken, subject to provision 13.6.2 ~~and 13.6.3~~ above, so long as the employee continues their employment in a classification represented by the Organization. Any employee whose employment is terminated by reason of resignation, discharge, or retirement, and who, at the time thereof has accrued unused compensatory time, shall be paid for such time at the appropriate rate. In the event of the death of an employee who has accrued unused compensatory time, the appropriate payment shall be made to the executor of the will, the administrator of the estate or other representative, as authorized by law.

**2025 CITY OF SAN JOSÉ – POA NEGOTIATIONS
TENTATIVE AGREEMENT**

~~13.6.5 Notwithstanding the provisions of section 13.6.4 above, the City shall have authority to require employees to immediately take time off to reduce the outstanding amount of accrued compensatory time off above the 240 hour maximum level, with the following exceptions:~~

~~13.6.5.1 If an employee is unable to reduce their comp-time balance to 240 hours by the end of the last pay period of the calendar year, by December 1 of that year, an employee shall submit a written plan to their immediate supervisor outlining how the excess hours will be reduced. If the employee submits a plan by that date, the employee shall receive a ninety (90) day carryover (to March 31 of the next calendar year) of any accrued compensatory time hours above the 240 hour maximum level. The plan shall include the reason(s) for the carryover need and plan of action to bring the compensatory time balance back into compliance by March 31. While on the plan, the employee will be ineligible for any voluntary overtime assignments, unless the overtime is authorized for pay; authorization for paid overtime shall be consistent with Department policy.~~

~~13.6.5.2 If an employee's compensatory time balance is above the 240 maximum level at the end of the last pay period of the calendar year and the employee complied with the provision of subsection 13.6.5.1 above but earned additional compensatory time hours above those previously identified for a ninety (90) day carryover or the employee did not submit a carryover plan because their compensatory time balance was at or below the 240 maximum level at the time the carryover plan was due for submittal; the employee shall submit either an amended or new plan to their immediate supervisor by the end of the first pay period of the new calendar year outlining how the excess hours will be reduced. If the employee submits the amended or new plan within the specified timeline, the employee shall receive a ninety (90) day carryover (to March 31 of the new calendar year) of any accrued compensatory time hours above the 240 hour maximum level. The plan shall include the reason(s) for the carryover need and plan of action to bring the compensatory time balance back into compliance within the ninety (90) day time frame.~~

**2025 CITY OF SAN JOSÉ – POA NEGOTIATIONS
TENTATIVE AGREEMENT**

~~13.6.5.3 If emergency circumstances necessitate that an additional sixty (60) days (beyond the limits set forth in provision 13.6.5.1) is needed for an employee to bring their compensatory time balance into compliance with provision 13.6.2, the employee shall submit a written request to the Chief of Police, again outlining the reason(s) for the carryover need and plan of action to bring the compensatory time balance back into compliance. The approval of this request shall be at the discretion of the Chief of Police.~~

~~13.6.5.4 No employee shall be required to reduce their individual number of accrued hours of compensatory time below 240 hours without the approval of the individual employee.~~

13.6.~~86~~ Supervisory approval or disapproval of compensatory time off shall be based on scheduling and staffing needs and not on an individual's reason for seeking to use the compensatory time. Any employee who has accrued compensatory time and requests to use compensatory time off shall be permitted to use such time off if such use does not unduly disrupt the operations of the City.

13.6.~~97~~ The City reserves the right to buy down any employee's outstanding balance of compensatory time, ~~subject to the provision of subsection 13.6.5.3.~~ Such buy down shall be uniform, by percentage or total number of hours, as to all employees within a bureauunit.

13.6.~~108~~ In the event the outstanding amount of accrued compensatory time owed to an employee exceeds ~~480 hours~~the cap, the employee will automatically receive payment for any hours in excess of ~~480 hours~~the cap. Once the compensatory time cap is reached the employee will cease to accrue compensatory time until the employee's compensatory time balance has fallen under the cap.

13.6.~~119~~ Employees who request to use any sick leave will be ineligible to work any voluntary overtime assignments for a period of 24 hours beginning from the start of the shift they called in sick. In the event that time is worked during the 24-hour period, the employee will receive pay at the 1.0 rate for any hours actually worked.

2025 CITY OF SAN JOSÉ – POA NEGOTIATIONS TENTATIVE AGREEMENT

Voluntary overtime shall be defined as any pre-planned, scheduled assignment apart from an employee's regular work assignment (i.e., a previously scheduled overtime Patrol shift).

13.6.1²⁹ Disability Leave and Overtime

An employee who has taken approved time off during their regularly scheduled shift for medical appointments, treatment or therapy for an industrial or non-industrial injury or illness shall not be entitled to count said hours taken for such appointment, treatment or therapy as hours worked for the purposes of entitlement to overtime unless said employee is required by the Chief, or their designee, to work unscheduled, unplanned hours of an emergency nature (similar to a departmental holdover) or when the department issues a specific order to an employee on the day of their scheduled appointment, treatment, or therapy.

ARTICLE 56 PROBATIONARY PERIOD

56.3 Compensatory time off that is mandated in writing by the City pursuant to Section 13.6.²⁶ of the Memorandum of Agreement shall be deemed to be part of the employee's service to the city and shall count toward the calculation of the employee's probationary period. Additionally, voluntary approved compensatory "time off", up to and including eighty (80) hours in the aggregate, whether taken in sort or extended increments shall be deemed to be part of the employee's probationary period. Any and all voluntary approved compensatory "time off" in excess of eighty (80) hours shall *not* be considered to be part of the employee's service to the City and shall *not* count toward the calculation of the employee's probationary period.

**CITY PROPOSAL #10 – GRIEVANCE SETTLEMENT AGREEMENT RE:
MERGE/TNU/SNIPEr STANDBY PAY**

GRIEVANCE SETTLEMENT AGREEMENT

The following terms and conditions of this Grievance Settlement Agreement (hereinafter “Agreement”) shall constitute full and complete resolution of the Grievance originally filed at Step III on January 17, 2024 (hereinafter the “Grievance”) on behalf of members of the San Jose Police Department’s MERGE Unit, Tactical Negotiations Unit (hereinafter “TNU”), and Snipers, regarding alleged violations of the current Memorandum of Agreement (hereinafter “MOA”) between the San Jose Police Officers’ Association (hereinafter “POA”) and the City of San Jose (hereinafter “City”), as described below and incorporated herein by reference.

Background

On January 17, 2024, the POA filed the Grievance alleging violations of Article 15 of the MOA regarding Standby Pay. The Grievance alleged:

- Members in TNU and Snipers are assigned to the MERGE Unit;
- The addition of MERGE to Article 15.1 of the POA makes all members in the MERGE Unit regularly eligible for Standby Pay;
- Members in the MERGE Unit are constantly on Standby to return to service; and,
- Article 15.1.3.1 does not prevent members in the MERGE Unit from receiving Standby Pay.

Articles 15.1 – 15.2 of the POA MOA state the following:

15.1 Employees assigned to the sections noted herein and who are regularly required to perform standby duty shall be eligible for standby compensation in accordance with 15.3, when explicitly informed and required by their supervisor to perform standby duty as described in Section 15.2 below.

- 1. The Sexual Assault Investigations Unit.*
- 2. The Homicide Detail*
- 3. The Crime Scene Unit*
- 4. The Bomb Squad*
- 5. Air Surveillance (See Section 5.2.8)*
- 6. Internal Affairs*
- 7. Covert Response Unit*
- 8. MERGE*

15.1.1 Standby Duty Pay shall not be automatic for any classifications assigned to the units specified above and must be explicitly required of the employee as described in this article.

15.1.2 Instances in which employees are explicitly required to perform Standby Duty must be confirmed in writing by the Chief of Police or the employee’s supervisor and must confirm that the employee meets the eligibility requirements as described in this article.

15.1.3 Employees eligible for and receiving a premium pay (hazard pay) for their assignment in any of the units specified above are not eligible for Standby Duty

Pay, unless they are explicitly informed and required, in writing, by their supervisor to perform standby duty as described in Section 15.2 below.

15.1.3.1 In no circumstance should an employee who is eligible for and receiving a premium pay (hazard pay) for their assignment in any of the units specified above regularly code Standby Duty Pay.

15.1.4 Employees in the classification of Police Lieutenant shall be eligible for Standby Duty Pay in accordance with this article only in instances where the employee is explicitly directed by the Chief of Police or designee in writing.

15.1.5 Employees not assigned to a unit listed in this article shall be eligible to receive standby compensation in accordance with 15.3 if the employee is explicitly directed by the Chief of Police or the employee's supervisor in writing to perform standby duty as described in 15.2 regardless of their assigned unit.

15.2 Standby shall mean the explicit and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and to be fit and able to return to work, if required. It shall not be considered standby when an employee is contacted and required to return to work but has not been required to be available for receipt of such contact, in which case the employee may be entitled to Call Back Pay in accordance with Article 14.

In resolution of the Grievance (Exhibit A):

1. The parties agree that effective the first full pay period in Fiscal Year 2025-2026 following union ratification and Council approval in open session, each employee in the classification of Police Officer, Police Sergeant, and Police Lieutenant, who are collaterally assigned to the MERGE Unit as either TNU or as a Sniper, shall be paid an amount equivalent to a one-step increase (hereinafter 5% premium pay) under the biweekly pay plan (hereinafter "premium pay") during each biweekly period of such collateral assignment to the MERGE Unit. This 5% premium pay is in lieu of any standby pay.
2. In resolution of the grievance, the City shall pay the one-time, lump sum of FOUR HUNDRED THOUSAND DOLLARS (\$400,000) to be distributed to employees who have been on standby as either TNU or as a Sniper since the date of the grievance.
3. The parties agree that the language in number one (1) above shall be incorporated into any successor Memorandum of Agreement and that the 5% premium pay is non-pensionable.
4. The POA agrees to withdraw this Grievance with prejudice and will do so after the City implements the 5% premium pay as described in paragraph 1 of this Agreement. The POA agrees to forgo any other remedy, including but not limited to any claim for damages or backpay (except as specified in Paragraph 2, above), and agrees not to pursue arbitration and/or any other legal or administrative remedy, related to the subject matter of this Grievance. This agreement expressly waives any and all claims for Standby Duty Pay for employees in MERGE and employees who are Snipers or in TNU. The parties agree that this will resolve any claims related to retroactivity for MERGE, TNU and Snipers.
5. Should the City receive a claim alleging violation of the Fair Labor Standards Act arising out of the payment or non-payment of premium or standby pay to employees assigned to the MERGE Unit, TNU or Snipers, or challenging the resolution of the Grievance, the POA agrees, whether or not it is named as a respondent or defendant in the claim, to cooperate

in the defense of the claim as well as any subsequent claim (by providing potential witnesses for deposition or trial testimony, as well as for consultation, at a mutually-convenient time and place; and producing documents). Furthermore, the POA agrees to not initiate or join such claims if the City is in compliance with the terms of this Agreement pertaining to premium and standby pays.

6. The parties agree that this Agreement shall not serve as precedent for future agreements. Further, except as provided in section 2, above, this Agreement shall not be construed or implied to obligate the parties to enter into any similar agreements in the future.
7. The parties agree that this Agreement is a compromise of disputed claims and is not, nor is it intended to be, an admission of liability or wrongdoing by any party.
8. The parties agree that no promises, representations, understandings or warranties have been made or relied upon by any party other than those that are expressly contained herein. The parties further agree that this Agreement sets forth the entire agreement between the parties, oral or written, pertaining to the same subject matter of this Agreement.
9. The parties agree that this Agreement shall be construed in accordance with, and governed by, the laws of the State of California.
10. The Parties agree that this Agreement shall be construed without regard to the drafter and shall be construed as though each party to this Agreement participated equally in the preparation and drafting of this Agreement. Should any of the provisions of this Agreement be determined to be invalid by a court, arbitrator, or government agency of competent jurisdiction, it is agreed that such a determination shall not affect the enforceability of any other provision herein. Specifically, should a court, arbitrator or agency conclude that a particular claim may not be released as a matter of law, it is the intention of the parties that the release herein of the other matters shall remain effective.
11. This Agreement is considered part of the tentative agreement for a successor MOA between the parties and shall become effective only as part of the overall tentative agreement for a successor MOA, and when signed by all parties below and approved by the City Council.

Upon Completion of 6 months (1,040 hours)	\$5,000

The payment of the one-time, non-pensionable lump sum hiring incentive to lateral Police Officers is contingent on the employee being continuously employed in the Police Officer classification through their one (1) year anniversary of passing probation.

State Troopers and Federal Police Officers will be eligible for a \$10,000 one-time non-pensionable payment upon passing probation (2,080 hours).

If an employee receives any portion or all of the one-time, non-pensionable lump sum hiring incentive, and separates from City employment or accepts another position within the City that is not within the Police Officer class series prior to their one (1) year anniversary of passing probation in the Police Officer series, the employee forfeits the one-time, non-pensionable lump sum hiring incentive and, to the extent permitted by law, will be required to reimburse the City for the entire amount of the hiring incentive they have received. The employee may sign an agreement to deduct the bonus amount from his or her final paycheck of wages, subject to applicable laws. City Proposed Language:

ARTICLE 11 OVERPAYMENT PAYBACK

11.1 Overpayment Payback

~~Any appropriate payback process from any employee to the City shall be in the same amount and at the same rate in which the overpayment occurred. This provision does not create a right of appeal where one did not exist before.~~

11.1 When the City determines an overpayment has been made to an employee, it shall notify the employee of the overpayment and afford the employee an opportunity to respond prior to commencing recoupment actions. The City will endeavor to reach mutual agreement with the employee regarding repayment terms, which may be in lump sum cash payment(s) or installment(s) through payroll deduction(s). Absent mutual agreement on a method of reimbursement within 30 days, the City shall proceed with recoupment via Payroll deductions over a number of pay periods equivalent to the term of overpayment, unless the maximum deduction per pay period is insufficient to repay the balance of the overpayment. In this case, the payments shall continue for as many pay periods is necessary to repay the balance of the overpayment. In no event shall amounts deducted from payment of salary or wages exceed 15% of the employee's net disposable earnings.

11.1.1 An employee who separates from City employment prior to full repayment of the amount owed to the City shall have any money owed to the City withheld from their final paycheck(s). If the amount of money owed upon separation is insufficient to provide full reimbursement to the City, the City shall have the right to exercise any and all other legal means to recover the additional amount owed.
